ATTENTION:

The State Board of Immigration propose to send a specimen car Judge not! The greatest criminal may when I used to stand up in the must be stamped out. through the Eastern States this summer.

To the end that Union County may be represented the Board of Immigration for Union County ask that samples of our products be sent to the Secretary, J. K. Romig, La Grande. Samples contributed will be properly labeled, credit given the donor and forwarded to the State Board of Immigration.

grasses, woods, winter-keeping vegetables and fruits, green, dried or preserved, soils and minerals are desired.

Let no one depend on his neighbor in this matter. With our varied productions and minerals it is only neccessary that all parts of Union County respond to this call to make a collection that will be second to that of no other County rushing from the sky. second to that of no other County in the State of Gregon.

J. K. Rome. A. C. CRAIG. Secretary; President.

[WALLOWANS now is the time to prove to the Eastern people that the facts published concerning the grain and vegetables of this valley are facts and not mere editorial white-wash. In order that you may be to as little trouble and expence as possible, if you will bring crops. your samples, of any of the above amed articles, to this office, we

forward them to the Secretary Grande. If you will contrib-

king permanent homes, sincerely hope that every er and p ospector will bring ome suitable specimer. The circular does not state the limit of the time allowed to receive samples to forwarded to the State Board, but presume that they wish the car to go East in time to visit the princi butions at the carliest possible oppertunity.- 198.

Gen. De Courey Wires the minister of France that the king of Annam is held prisoner by Thugert. The prime minister and instigator of the rebellion is restrained from accepting Gen. De Courcy's invitation to return to the palace.

The French government has made an appropriation of \$800,000 his hand, this last was intended to to be expended in educating every seventh child born in a French good and it failed to raise. family .- We wonder if this is the offect of superstition or to encour-France.

France and Germany are strugglout in life. Every department is evidence that there was no intenovercrowded, and stipply stems tional crookedness, but how a man greater than demands.
