The game of foot ball between the Lostine and Wallowa kid teams took place in this city Friday. The teams were about evenly matched and weighed exactly in the same notch. One team stepped on the scales and tipped the beam at 1630 pounds. The other team was then given place and just balanced the scales. The game was fast and interesting and resulted in a victory for the Lostine team by a score of 6 to 0.

WALLOWA

Messrs. Brown Bros. and Slade of Howard Meadows were in the city Tuesday after supplies.

W. H. Hallgarth the popular clerk for Wm. Sherrod was a passenger for Elgin Tuesday on a few days visit. He says he disputes the pool championship claimed by Judge Morelock.

Quite an interest seems to be manifested all over the county in the game of foot ball between Wallowa and Joseph on Friday. The Wallowa boys are practising hard and will receive substantial encouragement before and during the game from their admirers. They don't propose to see the boys in mourning any longer.

Miss Daisy Williams, daughter of Geo. Williams, returned Tuesday from a visit to outside points.

A lodge of the Knights of Pythias will be organized in Wallowa

THE POISE

Of a woman in perfect health attracts the eye at once. Such a woman is all too rarely seen. The most of women bear scars of suffering on their faces which no smiles can hide, and often in their very carriage betray the womanly weakness which oppresses them.

There can be no perfect health for the woman who suffers from disease of the delicate womanly organism. Her general health is so intimately related to the local health of the womanly organs that these must be cured before the general health can be established.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It cures womanly disorders and diseases; brightens the dull eye, rounds out the hollow cheek and gives strength for wifely duties and maternal cares.

"My health is the best now that it has been for four years," writes Mrs. Phoebe Morris, of Iron City, Va. "I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery.' These medicines have done me more good than all that I have ever taken before. I couldn't do my work only about half the time, and now I can work all the time for a family of four. Before I took your medicines I was sick in bed nearly half the time. My advice to all who are troubled with female weakness is to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery'—the most wonderful medicines in the world."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

next Saturday evening. Members of the order from Elgin and La Grande will be present to assist in instituting. A big time is anticipated.

The German-American Vaudeville Co. arrived Monday under the management of Sam Taylor of Elgin. They showed to small houses Monday and Tuesday nights. J. Dayl and Chas. Brown furnished the music for the occasions.

C. T. McDaniels the real estate and insurance agent, returned from outside points Saturday, and on Monday went up to Enterprise.

T. J. Dryden of Leap was in the city on a business trip Tuesday. He informs us that his former partner, C. W. George, is now in the state of Georgia, and is very much pleased at the prospect of regained health.

John West of Grande Ronde valley has rented the Si Keeler place south of town and this week brought over a load of supplies with which to begin work early in the spring.

Hector McDonald arrived in town Tuesday from Enterprise with a number of horses he purchased there on Monday. Lawson Beecher and Oren Wagner drove the horses down for him. They started to Elgin with them Wednesday. Mrs. John McDonald who is visiting at Island City has been sick for a few days, but is reported as being on the road to recovery.

GROUSE.

We have had the finest winter so far that any of the old settlers have ever seen. We hope it may continue.

We are proud to inform the public that we are on a fair way to have a new road across the Wynatchie canyon. This will give us access to the Lewiston road. Mr. Robison, the overseer, has marked it in sections of 10 rods to the man, and they draw their number of section. Nearly all have been drawn and several have already completed their work. The Commercial Board of Lewiston has sent in 100 picks and shovels and powder enough to complete the road, with money to work out what is not drawn. We are sorry the merchants of Wallowa are going to let this trade go to Lewiston.

There has been several fine dances at the new hall. Lost Prairie has been well represented and it is hoped they will return on the 25th again.

This part of the county has lost nearly all its schoolma'ams by recent marriages. We hope some more will emigrate this way as there are lots of bachelors left.
