of foot ball with the Joseph team, played on the formers grounds in this city Friday. The score was 5 to 0, and it was generally conceded by all who saw the game that it was a contest well worth going to see. Several of the Wallowa boys were more or less injured. Melvin Tulley sustained a fracture of the collar bone, while Toi Maxwell was quite severely bruised. A return game will be played in Joseph.

To physical warnings will often prevent a serious illness. When there are oppressive fullness after eating, bitter risings, belching, headache, dizziness, nervousness, with physical and mental slinggishness, prompt attention should be given to the condition of the digestive and nutritive systems. Not all these symptoms will occur at once or in any single case, but any one of them indicates a disordered condition of the stomach and other organs of digestion and nutrition.

A prompt cure of these conditions will be effected by the timely use of Dr. Plerce's Golden Medical Discovery. It heals discases of the stomach and other organs of digestion and nutrition, perfectly and permanently. Many diseases, seemingly remote from the stomach, have their origin in a diseased condition of the organs of digestion and nutrition. "Golden Medical Discovery" cures through the stomach diseases which have their origin in
