Impaired Digestion

May not be all that is meant by dyspepsia now, but it will be if neglected. The uneasiness after eating, fits of nerv-

ous headache, sourness of the stomach, and [many?' disagreeable belching may not be very bad now, but they will be if the stomach is suffered to grow weaker.

Dyspepsia is such a miserable discuse that the tendency to it should be given early attention. This is completely over-come by mmn.by
