ON FIRE.

An exploding lamp; the clothing in a blaze; a paragraph in the paper telling of horrible suffering from burns. Tragedy in this form, moves a man to tears. But for women who are daily being consumed by the smouldering fire of disease there is little sympathy. Inflammation, with its fierce burning; ulceration, eating into the tissues; the nervous system almost shattered by suffering, these are only part of the daily agonies borne by many a woman.

Dr. Pierce's Favorite Prescription puts out the fire of inflammation, heals ulceration, and cures female weakness. It tranquilizes the nerves, restores the appetite, and gives refreshing sleep. "Favorite Prescription" is the most reliable put-up medicine offered as a cure for diseases peculiar to women. It always helps. It almost always cures.

"When I first commenced using Dr. Pierce's medicine," writes Mrs. George A. Strong, of Geneseeport, Seneca Co., N. Y., "I was suffering from female weakness, a disagreeable train, bearing-down pains, weak and tired feeling all the time. I dragged around in that way for two years, and I began taking your medicine. After taking first bottle I began to feel better. I took four bottles of Dr. Pierce's Favorite Prescription, two of 'Golden Medical Discovery,' one of the 'Western Pellets,' also used one bottle of Dr. Sage's Catarrh Remedy. Now I feel like a new person. I can't thank you enough for your kind advice and the good your medicine has done me."

Dr. Pierce's Common Sense Medical Adviser, paper bound, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

This money paid by the bridegroom to the leader, is given to some matron who makes a "stew" for the band and its friends.
