#### ATTEMPT THIS TRICK

AND HAVE SOME FUN.

There is a good deal of fun, but more for the onlookers than for those who try to do it, in the following tricks: Several persons can take part in the game, and each must assume the position shown in the accompanying picture, namely, he must stand on his right foot, hold his left foot behind his back with his right band and grasp his right ear with his left hand. When all the players are in this position a newspaper or some other object which ds about six inches in height is placed on the ground, and each player is to hop toward it and do his utmost to catch it with his teeth and raise it to his own height.
