| Unable to Stand for Months Because of | Sprained Ankles. CURED BY ST. JACOBS OIL. From the Cardiff Times.

Among the thousands of voluntary endorsements of the great value of St. Jacobs Oil for sprains, stiffness and

soreness, is that of Mrs. G. Thomas, 4 Alexandra Road, Gelli, Ysbrod, near Pontypridd, South Wales, who says :---"It is with great pleasure that I add

my willing testimony to the invaluable excellence of your celebrated St. Jacobs Oil, as experienced in my own case. I sprained both my ankles in walking down some steps so severely that I was unable to stand for several months. The pain I suffered was most severe, and nothing that I used helped me until I applied St. Jacobs Oil, when they immediately became better and in a short time I was able to go about, and soon after I was quite cured. I am now determined to advise all persons suffering from pains to use this wonderful remedy, which did so much for me.

Mrs. Thomas does not enlighten us as to what treatment she pursued during the months she was unable to stand, and during which time she was suffering so much, but we venture to suggest that had she called in any well known medical man he would at once have prescribed St. Jacobs Oil, for it has conquered pain upwards of 50 years, and doctors know there is nothing so Hired Girl-Now, you go right away good.
