#### FRUITA.

Cold, crispy nights.  
Bert Hodgins in the Park for a few days lay off.

L. G. Page and family returned from the valley after a ten days visit.

Died, an infant son of John Guyan's, Sept. 30th, and only a week before Thos. Shevlin lost an infant son.

Mrs. Mollie Horner is very sick. Messrs. Conley and Barnard, of Joseph, was in our parts for a few days outing. But bad luck seemed in their wake for Lo, no deer.

The sawmill commenced operation again after five weeks lay off. S. C. Himelwright and family went to Joseph and Mr. H. expects to visit his old home in Kansas. We wish him a pleasant trip.

Murat Bleavans took a load of lumber from the Wisner mill to Joseph to be dressed for his new residence which is well under way, with John Landers behind the plane.

Jake Guyan has a new box house on his homestead.

#### FRUITA.

Mrs. Mollie Horner, nee Wilson has been very ill at the home of her mother for some time with scarletina. She is now in a fair way to recover.

Mrs. Bossi Guyan, nee Sims, was dangerously ill a week ago. Dr. Fleenor was called in from Joseph. Her ailment was puerperal fever. She is now almost well again.

Mrs. T. F. Rich will go to Union town about the first proximo to be treated for a badly fatigued constitution. In the interim the P. O. will be kept at the residence of Mr. and Mrs. L. G. Page.

The members of B. Mark's family who were reported to have small pox sometime ago have entirely recovered.

Never within the memory of the oldest settler of the Park was the earth so dry and thirsty in this vicinity as now.

The Joseph Nimrods of whom I spoke last week returned to the haunts of man with their belts unadorned by scalp of grizzly or claw of cougar. No antlers of mountain stag, hardened in the August sun rattled to the patter of the iron-shod hoofs upon the rocky trails over which they passed. After a few days quiet rest they will be able to decline any gilt edged proposal to take a hunt over in the brakes of Snake and Imnaha rivers.

## GROUSE.

Our old friend and neighbor, Irwin Hopkins has sold out to Wm. Moore and Evert Richman has traded his homestead for the Hopkins place. This places the Moore's in possession of 200 acres more on the point between Bear Creek and Salmon. They now have it all but J. Koch's and F. Richmond's and they have them surrounded. We do not begrudge them any of their holdings but we are very sorry to lose a man like Mr. Hopkins. He is an honor to any neighborhood.

Lou Silvers has sold a two-thirds interest in his steam mill and they are going to move it across Wenatchie. That leaves us without a sawmill or lumber.

Rev. Philipps has done well here. He has organized a Baptist church and has taken in several members and has a new church under construction 30x40 near Ely Smith's place. P. D. Moore gave a half acre for the church and E. Smith gave an acre for the cemetery.

Fiker, Bartlett & Co., the new merchants are now preparing to run two stores. They have bought the Wilson property at Nauvoo and will have a new postoffice there that will fill the much needed want of the Promise landers.

Born, to Mr. and Mrs. Paul Moore, a boy on the 1st inst.

Miss Ely Silvers is very low. She has been suffering for some time with consumption.

## LOSTINE SCHOOL NOTES.

School is moving along very nicely and in fact as well as could be expected under the circumstances.

The outlook now is that the new building will be finished by November 10.

Much supplementary reading has been introduced into our school this year and the pupils are enjoying it immensely.

The first grade are reading, besides the text book, Wake Robin No. 1. The second grade are reading Hiawatha Primer. The third grade are soon to have Great Americans for Little Americans, the fourth grade are reading "Fifty famous Stories." The fifth grade are reading History Stories No. 2 and the sixth grade are wrestling with the third volumes of Wake Robin.

Special effort is being put forth in school to advance reading, spelling and arithmetic as the pupils in general seem to be backward in these branches.

The Seventh and Eighth grades together have organized a literary society with the following officers: President, Blaine Burleigh; Vice-President, Sadie Womack; Secretary, Ruby Cole; Treasurer, Roy Haun; Librarian, Nellie Burleigh; Critic, Mabel Masterson. We hope to do some good work before spring.

What times we have in spelling. We just spell and spell and sometimes we miss more than we spell.
