Roads and Trade.

and producer from extra expense in transportation, but good roads or producer must deliver when splitter." roads are passable, borrow a little money, pay high storage charges and finally, perhaps, sell at a loss at the will of the creditor, says the Baker City Democrat. With good roads, the farmer can store his creps in his own barns and haul to the railroad station whenever he chooses to sell, taking advantage of market prices, which under such conditions are always better, save interest and storage and come out at the end of the year with a profit that will more than pay his share of the cost of permanent road build-

taken the lead in such a manner that it cannot be overlooked. But upon investigation we find that the reserve in no way interferes with mines now in operation or that may hereafter be discovered. In fact the land is just as free to the the reserve is all right, and it remains to be seen whether the prac- part of its value. tice will bear it out. The one objectionable feature is that it will necessitate the issuance of more land script. This we understand by virtue of an order of the Hon. County will be prevented to as great an Court of the State of Oregon, for Wallowa extent as possible but if the official County, duly made and entered on the extent as possible but if the officials 6th day of October, 1802, in the matter are not careful some big milling of the estate of Adaline N. Buiord, de company will be included in the administrator of said estate to sell the reserve and as soon as they denude will from and after the 8th day of Novem will from and after the 8th day of Novem their private land holdings of the timber they will turn it back to the government and receive script to the government and receive script to the following described real process of the Southeast quarter and East half of the Southeast quarter of Section Twenty-two in return with which they will be Southeast quarter of Section Twenty-two able to go to some other locality and buy more good timber land.

One of the Diversity of the Southwest quarter of the Mort west quarter of Section Twenty-three (23), the West half of the North-three (23), the West half of the North-three (23). The opponents of the Biue Mountain reserve may thank Malcolm six (26), and the East half of the North A. Moody for interceding with the government officials and pursuading them to make the boundaries (6) North, of Range Forty-four (44), East of the reserve temporary instead of W. M., in Wallowa county, Oregon, and permanent which will enable the opponents to state their objections subject to approval and confirmation by the county court above named, before to the proposed boundaries and if valid have the wrong righted before it is too late.

FOOT BALL SATURDAY.

The football season will be opened next Saturday by a game between the Enteprise and Joseph teams on the Joseph gridiron. Not much practice has been done by either team but the season will be opened and red hot to the first of the new year.

Can a county in the Northwest beat the record of Wallowa county. A county of 10000 population with circuit court only twice a year and not a single criminal case on the docket nor a single jury trial, and The people generally are too prosperous to be contentious. Good times engenders good feelings among neighbors and while prices are so high the thieves do not have for office, giving your present and future to steal so much to make a living costoface address, so that the CHIEFTAIN and consequently run less changes of being eaught. How one housewife chops wood

Utica Observer .- Here is the manner in which one housewife has, to a W.M. in Wallowa county. Oregon, and certain degree, overcome the pressing containing 100 acres, question of fuel:

She took four common bricks and placed them in a pail. Over the at Eulerprise, in said County and State ing instead of charging up losses bricks she poured a gallon of kerosene this 13th day of October, 1902. on his ledger. Oregon farmers are oil and let them stand until the learning the lesson, and Baker will bricks had absorbed all of the oil they lead in the good road movements would take up. Then she took out in Eastern Oregon. It is simple two of the bricks and placed thom in when you know how and work on the kitchen range and set fire to them. They burned fully two hours, and the who have contributed to the Bazaar fire that they made wat one by which it was possible to do any kind of cook-There is a great discussion ing or other work requiring considerthroughout Eastern Oregon as to able heat. The lady says in this way the merits of the proposed Forest it will be possible in her home to get Reserve. The mining interests of along with the cooking, washing and Baker and Grant counties have ironing without resort to weed There was no unpleasant odor or any trouble whatever, for the oil just blazed away like a stove full of wood.

Farm House Burned.

Mrs. S. J. Blankenships house on lower Prairie Creek was burned to the prospector on the reserve as it is ground Saturday morning. It was on any other government land, occupied by T. D. Scott and family Hence the kick of the mining men who lost nearly all of their household seems to be not well taken. As to goods. The fire started from the the stock interests, the theory of chimney and had secured great headpermitting stock to graze within way before discovered by the inmates. The house was insured for a small

SLEEPERS.

HENRY MILLER. County Treasurer

ORDINARY

PULLMAN

East and the Pacific Coast has address. reached enormous proportions in He names the following witnesses to the last few years, and calls for a seecial class of equipment. To meet this demand the Pullman Company has issued from its shops what it technically calls the "Pull-man Ordinary Sleeper." These cars appear similar to the regular sleepers being built on the same plan, but not furnished with the same clegance. They are equipped with mattresses, blankets, sheets, pillows, pillow-cases, towels, combs, brushes, etc., requiring nothing of the kind to be furnished by the Department. passenger. Each car has a stove for making tea and coffee and doing "light housekeeping," and each section can be fitted with an adjustable table. A uniformed porter accompanies each car, his business being to make up berths. Keep the car clean, and look after more valuable for its timber or stone the ants and comforts of the passenger. In each of the trains which a, dispatched daily from Portland by the O. R. & N. Co. is to be found one of these "Pullman Ordinary Sleepers." The car attached to the "Chicago-Portland
