FRUITA.

Tom Rich and John Guyan re-
turned from Joseph recently where
they each delivered a four-in-hand
load of fruit. The serenity of their
minds was very much disturbed by
weather conditions as they went
and as they came.

Col. Himelwright and wife are at
home again after a four weeks'
sojourn in Kansas visiting with
Mr. Himelwright's aged parent's
whom he had not seen for fifteen
years. It was joy beyond measure
to be at home again with father
and mother, but it was painful to
see the sad havoc time made with
the idols of his boyhood.

An epidemic of colds accompan-
ied by sore throats and inflamed
eyes has been levying tribute upon
the dwellers of the Park for some-
time. None escape the lash of
this scourge. Wonder if the blow-
ing up of Bobby Jordan's gallon
house at Imnaha has had anything
to do with it. Hardly not, for it
surely falls outside the purview of
Justice to inflict pain and maybe
death upon the babe at it's mothers
breast for what some scheming
adult has done over the mountain.

Gez Whiz! How prodigal some
men are with adjectives! If the
author of the history of Union and
Wallowa counties had underrated
the virtues of the citizens of Union
and Wallowa counties as he has
overrated them in his epitomized
biographies of us, the air would
have sizzled with cuss words as a
barrel of water sizzles when a
shovelful of red hot stones are
dropped into it. Those of you that
are familiar with my past history
regd what he says of me and you'll
smile.

Thoroughbred Cattle.

G. S. Craig returned Tuesday from
LaGrande where he attended an au-
ction sale of Registered Thoroughbred
Hereford cattle. He purchased seven
cows and one bull and intends to go
into the business of raising thorough-
bred Herefords for the market. The
cattle cost him a big round \$100 each.

Mr. Craig has the land and facilities
for successfully conducting such a
business and has gone into it to win.
Emergency mixed grades of cattle will
soon be back numbers in Wallowa
county. Every country reaches a
stage in its development when com-
mon stock must give way to the thor-
oughbreds, just as the cayuse is being
supplanted by better horses. The
common hog by thoroughbred Poland
Chinas and Berkshires, and the indef-
inite mixed grades of sheep by the
best that breeding can produce.
Wallowa county has reached that
stage in its development.

The President's Salary.

By the act of congress of September
24, 1793, and again on February 18,
1798, the salary of the president of the
United was fixed at \$25,000, and that
of the vice-president at \$5,000. That
of the president continued the same
until March 3, 1873, when it was
raised to \$50,000, at which time U. S.
Grant was president. The salary of
the vice president was raised to \$8,000
in 1853, to \$10,000 March 3, 1873, and
January 20, 1874, it was again reduced
to \$5,000.

Horse Economy

Means that to get the best work the horse
must be properly harnessed or saddled and it is
all the more satisfactory if the harness or saddle
is first class.
