Cooking class features heart-healthy soups

The organizers of the annual Community Health Fair held each April at the Florence Events Center are offering another in the series of free follow-up cooking classes to the community.
On Thursday, Feb. 5, local healthful cooking enthusiasts will teach tips and tricks for quick, tasty, hearty and healthful soups.
“The interest in a healthful, plant-based diet is growing, so we will be sharing some of our favorite soups for these chilly winter months,” said organizer Linda Lydick.
“We’ll demonstrate easy-to-prepare, no-cholesterol, delicious soups — you’ll get samples and we will give you the recipes,” said Lydick.
Lydick added that these soups are sure to become family favorites and popular additions to church, office or neighborhood potlucks.

“Bring the family or friends,” Lydick said.
The event is from 6 to 8 p.m. at the Florence Seventh-day Adventist Church, 4445 Highway 101.
For more information, or to preregister with a friend or small group, call Linda Lydick at 541-999-2052.
This year’s annual Community Health Fair will be April 17-19, at the Florence Events Center. It is presented as a community service by the Florence Seventh-Day Adventist Church and is underwritten by the Korando Dental Group.
The three-day event will include exhibitors from noon to 5 p.m. on Friday, April 17, then a wide variety of health talks from 2 to 6 p.m. on Saturday, April 18.
There also will be a 5K walk/run on Sunday, April 19, beginning at 9 a.m.

ASK THE DENTURIST..

Q What is a reline?
A A reline is putting a new surface inside your denture when your gums have shrunk and there is a space between your denture and the gum surface. Never wear your dentures in this condition as your gums may “puff” into the ill-fitting denture. Have your dentures relined every other year.

Meet CHAKRA

Mind, Body and Spirit...To be balanced all must be aligned. Harmony can be ours. Adopt me...CHAKRA! ... and now that I've lured you in with that fancy introduction, let me tell you about myself! My name is Chakra. I live here at the shelter, but I didn't always. I was rescued from a bad situation and I was eventually brought here! When I first came in I was an expectant mother. After a few weeks I gave birth to my kittens here. I was a good mommy but now my little ones are all old enough to find their own future forever families... which means I'm ready to find mine too! I hope to find the warm and loving home that I know I deserve, maybe that home will be yours!

If you would like to meet Chakra or any of her friends, please visit us at:
