The 13th annual celebration of civil, human and equal rights, titled "Images, Indigenous, Inhabitants." included the history of the Siuslaw People, their customs, tools and traditions displayed in the Bromley Room at the Siuslaw Public Library, on Friday, Feb. 13.

The educational event, sponsored by KXCR community radio in cooperation with the Confederated Tribes of the Coos, Lower Umpqua and Siuslaw Indians, received high marks from an appreciative audience.

The program opened with an impressive audio/visual presentation by Richard Koehler and Jenny Velinty.

It outlined indigenous peoples' ancient migration quest to find new territory around the globe, leaving the marks, art and artifacts of early civilization.

The innovative civic, moral and spiritual wisdom that guided early people over the centuries is with us today, trail-blazing values that European generations have been slow to learn.

focus turned to The the younger tribal members

Anderson, Indian Lynn Education Director at Siuslaw Elementary School, and her enthusiastic young dancers from ages 5-13.

The students represented their tribe by wearing their regalia ankle bells, silver jingles, moccasins and necklaces.

The dancers demonstrated a variety of steps associated

with their particular tribal heritage accompanied by rhythmic drumming.

DAR-sponsored Remembrance Garden complete

The Oregon Dunes Chapter of the Daughters of the American Revolution (DAR) announced that the Remembrance Garden, funded by a National Society Daughters of the American **Revolution Special Projects** Grant, is now complete.

'DAR's support has made it possible for us to include a Remembrance Garden," said Tim Sapp, OCMM Board president. "The elliptical-shaped garden includes a U.S. flag, the Oregon state flag and the POW/MIA flag, along with

a donated granite monument. All military branches are represented by individual flagpoles in front of the museum as well."

The matching funds grant was for \$10,000.

Thanks to generous donations from members of the community the project was completed for less than the original estimate.

Therefore, the amount awarded by DAR was a total of \$5,500.

Funding for this project was made possible through the sponsorship of Oregon Dunes Chapter National Society Daughters of the American Revolution, located in Florence.

It will be the only military museum on the Oregon Coast.

The museum's mission is twofold: first, to educate residents and visitors about the roles our military members (both past and present) have played in defending the freedoms we all enjoy and, secondly, to provide an avenue for veterans to display and share their personal artifacts, memorabilia and memoirs, as well as provide an oral and visual history of their honorable military service.

for visitors time and again.

The DAR grants program was started in 2010.

Funding is awarded to support projects in local communities which promote the organization's mission areas of historic preservation, education and patriotism.

The National Society Daughters of the American Revolution was founded in 1890 to promote patriotism, preserve American history, and support better education for our nation's children.

Ask Dr. Paul

Dear Dr. Paul:

How do I know if my tires are properly inflated?

Sign me, Tired of Wondering

The right PSI (pounds per square inch) varies from car to car. PSI information can be found on a sticker in the glove compartment or inside the driver's door. Check tire pressure when car is cold. Never let air out of tires that are hot. When tires heat up, pressure increases, so if you let air out and the car cools, the pressure will be wrong.
