## Beatles tribute show brings back 'yesterday'

"Yesterday — A Tribute to the Beatles" will take the big stage on Feb. 27 at 7 p.m., at the Florence Events Center.

Performing all eras of Beatles music in their original key, wearing drainpipe trousers and playing authentic instruments, Yesterday — The Beatles Tribute has performed on five continents.

Beginning with the British Invasions in 1964, the mop-tops from Liverpool began the first wave of Beatlemania. The Beatles forever changed the face of pop music with such songs as "Hard Day's Night," "Help," "I Wanna Hold Your Hand," "Sgt. Pepper's Lonely Hearts Club Band," and "Revolution."
