

Mo's to host Project Graduation fundraiser March 10

Dig into an all-you-can-eat fish or chicken strips dinner at Mo's on Tuesday, March 10, from 5 to 8 p.m. This Project Graduation fundraiser comes with fries, coleslaw, marionberry cobbler, and includes soda, water or coffee.

Tickets are \$12 for adults or \$6 for children 12 and under. Tickets can be purchased in advance from participating

high school seniors, or at Mo's the day of the event.

Siuslaw High School Seniors will fill different restaurant roles that night, such as serving, bussing, and dish-washing. There is a raffle for items donated by local merchants.

Project Graduation, a drug- and alcohol-free event, organized by the seniors' parents, is

held the night of graduation. Similar events are held at various schools around the nation.

This safe event allows seniors to celebrate one last time together as a class. Seniors have worked throughout the year to help pay for this event. Other fundraisers have included holding a middle school

dance, selling 50/50 tickets at home basketball and football games, and working concession stands at home basketball games.

There are also monthly Abby's pizza nights, the third Wednesday of each month. The next pizza night is Wednesday, March 18.

Goodrow stained glass to be exhibited at OPB

Peggy Goodrow is the Florence Regional Arts Alliance (FRAA's) featured artist for the month of March at Oregon Pacific Bank.

Goodrow has lived in the Pacific Northwest her entire life. She loves the natural beauty of the Florence area.

"After a long career in dental hygiene, I decided to make good use of the right side of my brain," said Goodrow. "I started taking stained glass classes 13 years ago. My favorite thing to do with glass is use lots of color and different textures of glass."

Goodrow is a member of FRAA, and is on the art display committee at the Siuslaw Public Library.

The public is invited to come see her unique display of stained glass creations at OPB

French class being offered

French is a Romance language spoken around the world by nearly 90 million people as a first language, by 190 million as a second language, and by about another 200 million people as an acquired foreign language with significant speakers in 54 countries.

Most native speakers of the language live in France where the language originated. The rest live essentially in Canada, Belgium, Switzerland, Francophone Africa, Luxembourg and Monaco.

For the past 30 years, Gigi Lassan, Founder of France Exchange School, has dedicated her life to teaching French and transmitted her passion to generations of students.

Lassan always had it in her heart to make the French classes a special time of fun and pleasure. With her wonderful French immersion program, she received "the Family Choice Award" in 2003.
