# Learn to stretch your dollar, save more

Do you have questions about spending less, clearing debt, or building your credit? Sign up for a free 10-hour money management course called "Finding Paths to Prosperity."

This course will be offered on Thursday evenings in Florence, starting April 2. Besides brushing up on money management skills, attendees will find out about a matched savings program called the IDA (Individual Development Account). For every dollar saved, three more dollars are added from state and federal funds to help the saver reach one of the following goals:

- Buying a home
- Helping pay for college, getting work-related training or equipment
- Paying for needed home repairs
- Starting or expanding a business.

This course fulfills one of training requirements.

Come join in a comfortable interactive setting to learn ways to spend less and save more. Learn the difference between a credit report and a credit score, and how to build credit.

Sharpen your awareness about where your money is going and how to be more in control of your finances.

This course is open to all community members, free of charge, with the help of United Way of Lane County.

Four 2-1/2-hour class sessions will be held in the Community Room at the Oak Terrace Apartments, 2450 Oak St. in Florence. The class will be meeting from 6 to 8:30 p.m. for four sessions, April 2, 9, 16 and 23.

Refreshments and materials will be provided.

To register or for more information, call Colleen Stewart at St. Vincent de Paul Society of Lane County, Inc. at 541-743-7142.
