

The Florence Kiwanis Club has sponsored the Flying of the American Flags on each holiday and special occasion. We are proud that we can line our streets with this patriotic symbol and remember the sacrifices made. The Kiwanis club has made great efforts to continuously line the streets of Florence, however we do have some open spots if you personally or your business would like to purchase a flag spot.

The **SIUSLAW PIONEER MUSEUM** is the home of historic displays, pictures and other information about the Siuslaw River area, including The Pioneers and the City of Florence. These displays feature the Pioneers whose occupations were primarily as loggers and fishermen. In the early days the Siuslaw River was the primary and nearly exclusive means of travel in the area. Visitors to the museum will have the opportunity to see real settings that these early pioneers lived in.

You could spend just an hour or two at the Siuslaw Pioneer Museum or perhaps make a day of it and include a self

guided Historic Walking Tour which begins at the museum and brings you by 21 different buildings & locations in the Old Town Florence area.

The museum's Research Library has documentary information regarding our local history and pioneer families. An audio-visual presentation shows a brief history of Florence along with information on early shipwrecks. And don't forget to explore the steam sawmill display we now have to offer. We always welcome new volunteers!
