## OBITUARY

**SAINDON**—Leo Saindon, 90, formerly of Florence, died Monday, April 6, 2015, in Portland.

**Leo Saindon**

Leo was born Feb. 18, 1925, in Quebec, Canada, to Ernest and Josephine Saindon. His mother died when he was 5; his father passed away when Leo was 15.

Because of these tragedies, Leo's formal education ended in seventh grade. In his early

years, he worked a variety of jobs, including at a steel foundry pouring parts for steam locomotives. Leo hand-crafted skis and hockey sticks, and once lathed hundreds of table legs each day.

In his late 20s, Leo met switchboard operator Yolande Turbide. They wed in Riviere-du-Loup, Quebec, May 3, 1952, then moved to California.

They lived in San Francisco and San Leandro, settling in San Jose after Leo joined IBM as a tool and die maker in 1965.

Leo spent two decades with IBM, working in research and

development. He transferred to Concord, N.C. in 1985, retiring there in 1987. Leo and Yolande moved to Florence in 1998, making many friends at Florentine Estates.

Recently, they resided at Cherry Park Plaza, Troutdale and then Avamere in Sandy.

Leo liked to travel, hike, fish and camp, was a skilled woodworker, ran a machine shop in his garage, and had a passion for trains. He devoted hours building a one-third scale steam locomotive, which he operated at train parks around the country.

Leo leaves behind his wife, Yolande of Sandy; daughters Michelle Belna of Raleigh, N.C., Murielle Curcio of San Jose, Calif., Caroline Hiscox of Corbett; eight grandchildren and three great-grandchildren; a brother, Jean; and sisters Dolette and Margo of Canada.

A memorial Mass for Leo Saindon will be celebrated today, April 11, at noon, at St. Michael Catholic Church in Sandy.

Sandy Funeral Home is handling the arrangements.

Memorial donations may be made to Hopewell House in Portland.

## Vote for Siuslaw School Garden Program to receive grant

The Siuslaw School Garden Program entered the Seeds of Change Grant Program for an opportunity to win a \$20,000 grant. Now, the school garden program and is asking the community to get out and vote for its application.

Seeds of Change grants aim to enhance the environmental, economic and social well-being of gardens and communities.

Through April 27, the community can support the Siuslaw School Garden Program by visiting [face book.com/seedsofchange](http://facebook.com/seedsofchange) or [www.seedsofchangegrant.com](http://www.seedsofchangegrant.com) and voting once each day.

The 50 gardens with the most public votes then go on to the final judging.

The Siuslaw School Garden, now in its third year, currently consists of 12 garden beds at the elementary school. Four more beds will be constructed soon.

The gardens are a wonderful opportunity for students to not only learn about growing food, but to also meet their academic standards in a fun environment.

In the garden they have the opportunity to learn math, science, composting, soil management, writing and how to be good caretakers of the land.

If you are interested in vol-

unteering or donating to the School Garden Program, con-

tact Jen at Real Food Co-op at 541-997-3396.
