**Meet CHIT CHAT**  
Hey there! My name is Chit Chat. I live with two of my sisters here at the shelter. I feel very safe and am very affectionate when I'm around them... but sometimes when I am by myself I can be very timid. I am looking for someone who will be gentle and patient with me. Even though I am shy, I do have a very sweet and playful disposition. I love it when people come in and play with us using wand toys! I sometimes forget all of my fears when I see a wand toy waving about and will come out of my hiding spot just to participate in the fun! Why don't you come visit me so you can have fun too? Maybe we will find that we are a purrfect fit!
