The Oregon Dunes Triathlon and Duathlon includes four races and exciting, scenic courses all located just south of Florence. Starting with the SWIM in the clean and clear Woahink Lake, participants then BIKE along beautiful, quiet, country roads and RUN through the winding trails and campground of Honeyman State Park. The race finishes with an epic and unforgettable climb up the Oregon Dunes. After a week-end full of outdoor activities and breathtaking scenery, participants and their families will look forward to an annual trip to the coast for the Oregon Dunes Triathlon.
