Mike Webb
Board of Directors

After growing up in Corvallis and completing my formal education at Oregon State University, I moved to Florence to take the opportunity to manage the local Sprouse Reitz store. It was in Florence that I met my wife Jana. We have two wonderful children, two grandchildren, two dogs, many cats and a bird. Currently I work as a Commercial Relationship Manager with Oregon Pacific Bank. I've been with the bank since 1998. I am also an active Kiwanian, joining the Florence club in 1998. In my spare time I enjoy cycling, running, golf and bowling. I began working with Western Lane Ambulance District several years ago, first serving as a budget committee member. For the last eleven years I have served on the board of directors for the district. I also fill a seat for the District on the Florence Urban Renewal Committee. Since moving here, I have had the opportunity to witness tremendous growth in the Florence area. I continue to look forward to see what the future holds for our community.
