

City seeks volunteers

The City of Florence is currently recruiting for vacancies for a potential new Economic Development Committee.

These positions will offer business owners/managers, public officials and citizens the opportunity to volunteer their services to assist the City in....

- The creation of a business retention/expansion program
- The creation of a business marketing/recruitment program
- Research and review of alternatives for potential structures for the city's future economic development efforts

Committee member contributions are invaluable to the Mayor, the City Council, as well as the City and offer citizens an opportunity to have their voices heard on these important issues.

Applications are available at Florence City Hall and can be downloaded from the city's website at www.ci.florence.or.us.

City Hall is open Monday through Friday, 8 a.m. to noon, and 1 to 5 p.m.

The deadline to apply is Friday, May 22.

For details regarding the duties and responsibilities of this body, residency requirements of applicants, term lengths or any other questions, contact City Recorder and Economic Development Coordinator Kelli Weese at kelli.weese@ci.florence.or.us or call 541-997-3437.

Rotary donates \$5,000 to 'Legacy Campaign'

In April the Rotary Club of Florence presented a generous \$5,000 donation to PeaceHealth Peace Harbor Medical Center for their "Leave A Legacy, Save A Life Emergency Department Campaign," to build a new state-of-the-art emergency department.

The Florence Rotary Club is comprised of more than 100 professionals who meet weekly to learn about things impacting the community and for fellowship.

Rotary brings together a global network of volunteer leaders who dedicate their time and talent to tackle the world's most pressing humanitarian challenges such as polio, world hunger, water purification and sanitation, and promotion of higher education.

Rotary connects 1.2 million members from more than 200 countries and geographical areas.

Their work impacts lives at both the local and international levels, from helping families in their own communities, provid-
