

THE RECORD

Pedestrian enforcement operation set for Monday

The Florence Police Department will conduct a Pedestrian Enforcement Operation at Highway 101 and 15th Street on Monday, June 8, from noon to 3 p.m.

It will be canceled if it is raining.

Under Oregon law, a crosswalk exists at any public street intersection, whether marked with paint or unmarked.

Crosswalks also exist between intersections (mid-block) where indicated with white paint. At a traffic signal, drivers must:

- Stop and remain stopped for pedestrians until they have cleared the lane in which the driver is traveling and the adjacent lane.

- Stop and remain stopped for pedestrians until they have cleared the lane into which the driver's vehicle is turning and at least 6 feet of the adjacent lane.

At any other crosswalk — those without a signal — drivers must:

- Stop and remain stopped for pedestrians until they have cleared the lane in which the

driver is traveling and the adjacent lane.

- Stop and remain stopped for pedestrians until they have cleared the lane into which the driver's vehicle is turning and the adjacent lane.

- Stop and remain stopped for students crossing (or about to cross) a street under the direction of a crossing guard.

- Stop and remain stopped for a blind or blind and deaf pedestrian using a cane or a guide dog, until the pedestrian is completely across the roadway.

A stopped car may be a clue that a pedestrian is crossing. Don't pass until you know what is going on. In fact, it is not only unsafe but also illegal in Oregon to pass a vehicle stopped at a crosswalk for a pedestrian.

Giving pedestrians more space and slowing down in their presence can save lives. Pedestrians struck by vehicles at 40 mph have an 85 percent chance of dying in the collision.

That death rate drops to 15 percent at 20 mph.

Pacific Coast Wind Ensemble names award winners

The Pacific Coast Wind Ensemble has announced its 2015 Young Musician awards.

Winners include: Elizabeth Wartnik, voice and piano, a student at Siuslaw High School; and Devyn Arnoldussen, violist of Lincoln City.

Both received money towards furthering their musical educations.

Other winners include:

- Isabel Solano a violinist at Newport High School. She has performed with the Oregon Pro Arte Youth Chamber Orchestra as well as the Salem Youth Symphony Philharmonic Orchestra.

She is currently playing first violin with the Newport Symphony Youth Orchestra.

- Dorothy Semple, a violinist at Sam Case Elementary in Newport.

- Sierra Shipper, a bassoonist at Newport High School. Shipper is an outstanding student and musician who has been a steady member of PCWE for the last three years.

- Steve Cusick, a saxophonist at Newport High School. He is a member both of PCWE and The Lincoln Pops.

"The ensemble budgets every year for music student scholarships," said PCWE secretary Eric Bigler, a trombonist

in the band "We have applicants from Florence and the Newport area. "We also are awarding two 'merit' certificates to our high school band members, Sierra Shipper and Steve Cusick."

PCWE's musicians come from Toledo, Newport, South Beach, Waldport, Ten Mile and Florence. Many musicians also play or have played in other musical groups, such as Florence Brass, Dave Craddock Trio, Oregon Coast Chamber Orchestra, Florence Community Chorus and Yachats Big Band.

An all-volunteer ensemble welcoming beginners and experts alike, the Pacific Coast Wind Ensemble rehearses on Monday evenings from 6:30 to 8 p.m., alternating between the Siuslaw High School and Waldport High School music rooms.

PCWE's season begins in mid-September and continues into June, performing concerts in Florence and Waldport as well as at the Performing Arts Center in Newport.

PCWE plays annually for the Waldport High School graduation ceremony.

In years past, the ensemble has played for Rhody Days in Florence, Beachcomber Days

in Waldport, and the La De Da celebration in Yachats.

The Pacific Coast Wind Ensemble is a nonprofit organization.

Its membership includes approximately 40 local musicians of all ages who enjoy coming together to make and share music at regular local concerts.

Its current conductor is retired teacher and multi-talented professional "reed man" musician Lou Invernon.

"The Ensemble is proud to offer its scholarships to central Oregon coast music students," said Beth Newell, a Florence resident and longtime PCWE

percussionist. "We greatly appreciate contributions to PCWE. They help to make these awards possible."
