

THE RECORD

Florence police arrest wanted Idaho man

Florence Police Department (FPD) arrested John Leslie Green, 53, this week, a fugitive sought by the U.S. Marshal Service for violation of parole in Idaho. The U.S. Marshal Service contacted Florence Police in December 2014 due to the possibility of financial activity in the Florence area by Green.

John Leslie Green

FPD checked out leads, but officers were unable to locate Green at that time due to his transient status. In the first week of June, officers recovered a stolen vehicle from a transient camp off Munsel Lake Road.

Officers have been to the camp several times over the past week following leads on the Camp Florence escapee from earlier this month. Officers returned to the camp Tuesday, June 9, after receiving a report of another stolen vehicle. While there, they made contact with Green and discovered that the U.S. Marshal Service had issued a bulletin on him as a fugitive from Idaho.

He was then arrested. Green is on parole out of Idaho for robbery and possession of a controlled substance. He was released from custody in June 2014 and was listed as a fugitive out of Idaho in September 2014. FPD has charged Green with identify theft, manufacture of a controlled substance and false information to police.

Pedestrian crossing enforcement yields results for Florence Police

Florence Police Department (FPD) conducted a pedestrian crossing enforcement operation at Highway 101 and 15th Street on Monday, June 8. From noon to 3 p.m., the police monitored drivers and issued a total of 14 citations. According to Lt. John Pitcher, seven citations were issued for failure to stop for a pedestrian. Among the other violations, two were for cell phone use and one was for driving uninsured.

There also was one arrest for driving under the influence of intoxicants. Under Oregon law, a crosswalk exists at any public street intersection, whether marked with paint or unmarked. Crosswalks also exist between intersections (mid-block) where indicated with white paint. FPD reports that giving pedestrians more space and slowing down in their presence can save lives.

Correction

In the front-page article, "Committees in motion," in the June 3, 2015, issue of the Siuslaw News, it was inaccurately stated that Florence City Councilor Ron Preisler will be the ex-officio member of the city's new economic development committee. Mayor Joe Henry will represent the city instead. Siuslaw News regrets the error.
