**C**hildren's Repertory of Oregon Workshops (CROW) started renovating its new building at 3120 Highway 101 on June 13. Plans for the versatile space include classrooms for dance and theater, a workshop, a small stage and costume and prop storage. In order to be fully functional and ready for the opening in fall 2015, CROW will need to update the plumbing and electrical systems, install a heating system, put on a new roof, update the parking lot to city specifications, install flooring, drywall, furniture, fixtures and much more. "CROW still needs to raise over \$250,000 to purchase and fully renovate the property from the kind-hearted private investor who secured it for us on a temporary basis," said CROW Artistic Director Melanie Heard. "We are tremendously grateful to all who can help in any way." Those who are donating or giving discounts of time, labor, materials, drafting and equipment to the nonprofit include Bill Craig, Copeland Lumber, Foglio Dropbox Service, Integrity Plumbing, John's Construction, Leisure Excavating and Shawn Fleming Construction, as well as CROW parents, volunteers and families. For more information about CROW, including ways to donate, contact Heard at 541-999-8641 or visit [www.crowkids.com](http://www.crowkids.com).

*Thank you, Spirit Mountain Community Fund!*

Florence Food Share would like to thank the Spirit Mountain Community Fund for their generous grant to fund a portion of our Culturally Diverse Food Project. Since the project's inception on August 15, 2014, Food Share has been able to advertise specifically to the Latino population in our area; and to distribute food staples familiar to this demographic. We appreciate SMCF facilitating our outreach and distribution efforts towards alleviating hunger for the entire food insecure population in Western Lane County. Thank you!

*¡Gracias, Fondo Comunitario de Spirit Mountain!*

Compartiendo Alimentos de Florence (Florence Food Share) desearía dar las gracias al Fondo Comunitario de Spirit Mountain (SMCF, por sus siglas en inglés) por su generosa donación para financiar una parte de nuestro Proyecto de Alimentos Culturalmente Diversos. Desde el inicio de este proyecto en el 15 de agosto del 2014, Compartiendo Alimentos ha tenido la capacidad de hacer publicidad específicamente para la población Latina de nuestra área; y ha podido distribuir alimentos básicos que le son familiares a dicho grupo demográfico. Apreciamos al SMCF por facilitar nuestros esfuerzos de divulgación y distribución que tienen como meta aliviar el hambre de todas las poblaciones con inseguridad alimenticia en el Oeste del Condado de Lane. ¡Gracias!
