

7 YEARS IN THE MAKING

From Siuslaw News May 30, 2012

HONORING OUR VETERANS

The new, but interim, Freedom Remembrance Wall was unveiled at a Memorial Day service at the Oregon Coast Military Heritage Museum on Monday. When the museum construction is complete, the wall will be placed in permanently, probably at the museum entrance.

From Siuslaw News February 14, 2015

OH SAY CAN YOU SEE

The museum has racks of dress uniforms and fatigues. There are examples of standard and formal military gear from the early 1900s through current conflicts.

From Siuslaw News November 9, 2013 MUSEUM DRESSES UP FOR HOLIDAYS

Crews from Center Bros. Construction smooth the freshly poured concrete in the new Remembrance Garden at the Oregon Coast Military Heritage Museum. A Festival of Trees, which is part of fundraising, and a dedication ceremony of the building is planned for Dec. 1. (courtesy photo)
