## FEC call to artists

The Friends of the Florence Events Center and the FEC's gallery committee invite artists to display their artistic creations at the FEC during the months of September and October for a show titled: A Slash of Color.

The exhibit will include 2D art, photography and 3D art. The cost to exhibit is \$20 per rod, and each rod can hold up to three pieces of artwork, depending on size. An artist may also purchase more than one rod if they wish.

In the locked display case, artists can display up to three

pieces of 3D artwork for \$20, as size allows.

Applications and Guidelines are available online at [www.eventcenter.org](http://www.eventcenter.org), or at the FEC Office, 715 Quince. Artwork should be delivered to the FEC's Gallery One on Friday, Aug. 28, between 9 and 11 a.m.

An artists' reception will be held for all exhibiting artists, their families, friends and the community Sept. 5, from 3 to 5 p.m.

For more information, email [cignatieff@live.com](mailto:cignatieff@live.com) or call the FEC at 541-997-1994.

## Realtors celebrate 10 years at Coldwell Banker

Three local real estate brokers at Coldwell Banker Coast Real Estate recently celebrated 10 years of service with the local firm, according to Andy Johnson, owner and principal broker of the company.

Lynnette Wikstrom, Diana Hackett and Alice Sichtung-Burns all joined Coast Real Estate back in 2005, coming from different backgrounds and experiences, yet all converging upon successful careers in real estate, Johnson added.

Wikstrom was previously a restaurateur, owning and operating Gingerbread Village in Mapleton for 25 years before selling the business and building in 2004.

Hackett, an Oregon coast native, held several positions in office management, insurance, and real estate in other areas before joining Coast Real Estate 10 years ago.

Sichtung-Burns first started at Coast Real Estate as a part-time secretary, progressing to broker in 2005. She is also a long-time librarian at the local

Diana Hackett, Alice Sichtung-Burns and Lynnette Wikstrom

school district.

"From an owner and manager standpoint, I certainly commend these three for their loyalty, hard work and dedication to their industry," Johnson said.

"Real estate is not an easy road to success. It takes diligence, effort and hard work."

Coast Real Estate was founded in 1956.

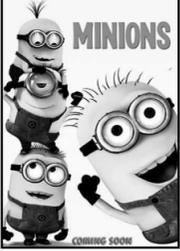

Partnering with Coldwell

Banker in 1999 added worldwide leader and networks to an already long-established company.

## Siuslaw Alumni Association awards scholarships

Each year, the Siuslaw Alumni Association awards scholarships to graduating seniors at Siuslaw High School who plan to attend college or a trade school.

These scholarships are solely supported by donations to the scholarship fund and from proceeds from the annual All-Class Reunion Banquet Raffle.

This year, the association awarded three scholarships, each in the amount of \$3,500, to Elizabeth Wartnik, Kennedy Royslance and Natalie Madden. Wartnik has been accepted to

Scholarship recipients Elizabeth Wartnik, Kennedy Royslance and Natalie Madden

George Fox University, where she will study music composition with instruments and voice, plus the visual arts with a minor in history and honors-level literature. Her short-term plan is to become a music composer by earning a bachelor of science degree, then later pursuing a doctorate degree at the University of Oregon to teach music composition and voice at the college level.

Her long-range goal is to develop a musical theater company as a medium to inspire excellence in the performing arts.

Wartnik is a member of the National Honor Society and earned a 4.0 GPA, with the exception of one "B" during her high school career.

She participated in cross

country, chamber choir and was a wrestling statistician.

Royslance, the 2015 Queen Rhododendra, has been accepted to Brigham Young University-Idaho, with plans to become a high school counselor. She would like to teach and facilitate youth in high school and her community, helping them to make physically and emotionally healthy decisions that will help them become empowered adults.

While at SHS, she was on the honor roll every semester from 2011-15, and was a member of the National Honor Society from 2012-15. She was a cheerleading captain her senior year, senior class secretary and treasurer, as well as a library aide and instructional aide for special needs students.

Madden will be attending Lane Community College in Eugene. She plans to attend for two years before transferring to George Fox University in Newberg.

She plans to become a physical therapist and wants to contribute to her community by healing and caring for people.

During high school, she was involved in cheerleading, fitness and the arts. She is an honor roll student and worked part-time in the summer at Coastal Fitness, where she also volunteered.

She helped teach gymnastics and swimming, and also earned a personal trainer endorsement.

Madden also was heavily involved in local theater as an actress, costume designer and make-up artist.
