He was in the logging industry in and around the Sweet Home area. He was a lifetime member of the Loyal Order of Moose and was a charter member of the Florence Moose lodge in 1961.

He was the Endowment and Admissions Fund chairman for the Oregon Moose Association for many years, and in 2007 he received the Pilgrim degree, the highest degree of merit awarded by Moose International.

BRANDT—Vonda Ellen Brandt, 79, passed away peacefully in her sleep on Sunday, July 12, 2015, in Bend, Ore.

Vonda was born in A d r i a n , Mo., on Sept. 20, 1935, to Ted and Gertrude Van Benthusen.

She was the fourth of six girls.

Her dad was a farmer who kept trying for a boy. Vonda ended up being his "boy" and worked on the family farm.

Vonda married Marlan Brandt in 1963 and together raised their two children Melisa and Kevin, until Marlan passed away in 2003.

Vonda and her family moved to Florence, Ore., in 1979 from

Woodland Hills, Calif. She worked at Siuslaw Valley Bank and was a long-time member of the Florence Nazarene Church.

Vonda was blessed with a fun, loving spirit, valued hard work and family. She had a true love for life, her family, friends and the Lord she served, which all shone brightly through her contagious smile.

She will be remembered as a fun-loving, adventure-seeking gal, whether it be to a foreign land, on the quest for the ultimate bargain or to just grab a quick bite to eat with friends or family (sweets were her favorite).

It was a high priority to her to have a close-knit family and she made sure they knew this with frequent visits or calls, which they never needed because they knew.

Vonda is survived by her sisters Bonnie Dockery and Shirley McManama (Harper); her daughter Melisa and son-in-law Todd Sween; her son Kevin and daughter-in-law Gina Brandt; and four grandchildren, Kylie, Jared, Seth and T.J.

A memorial service for Vonda will be held Saturday, July 25, at 11 a.m. at the Florence Nazarene Church. In lieu of flowers, donations can be made in memory of Vonda to Siuslaw Outreach Services of Florence, florencesos.org.

Don met his wife Susan in Salt Lake and they married on April 30, 1960.

They were blessed with three special children, Phillip, Scott and Robbin.

Rhody Drive construction starts Monday, July 27

The City of Florence reports that portions of Rhododendron Drive will be closed starting Monday, July 27.

Chip and fog seal work will require the closure of Rhody Drive from 35th Street to Lighthouse Way the week of July 27 to July 31.

The project consists of a single layer chip seal which is an application of emulsified asphalt and a layer of fine aggregate. The aggregate is then rolled to embed it into the emulsified asphalt. This is used as a pavement preservation treatment and provides a new skid-resistant wearing surface, arrests raveling and seals minor cracks.

Once the chip seal is set, a fog seal is applied.

Due to the nature of the project there will be slight inconveniences, particularly to the residents that live along the construction route.

Letters were sent out to residents and property owners along and adjacent to the affected portions of Rhododendron Drive.

Provisions for local access will be provided during construction and detour signs will be installed.

Street closures will be limited for just the period that it

takes to apply the chip and fog seal.

A fog seal protects the chip seal from harmful UV rays that deteriorate the chip seal over time; seals the chip seal from the top down virtually eliminating all loose rock that is generally associated with chip seals; and they add to the overall appearance of chip seals making them look like an ultra-thin overlay.

In addition, fog seals minimize "whip off" and damage to windshields that can happen with a chip seal only application.

A fog seal also provides a better appearance and may improve the ride quality and tire noise.
