# Liz Mobley

On behalf of the entire Mobley family, we'd like to thank the community of Florence for their generosity, love and support of our wife, sister, cousin, daughter and mother Elizabeth "Liz" Larue Mobley as she recently battled a malignant brain tumor in the biggest fight of her life.

It is with a heavy heart that we share with you all that on Monday, July 21, 2015 in the early hours of the morning, Liz lost her battle with cancer. While there are hundreds people to thank for their generosity, love and support during this difficult time, we especially want to express our deep gratitude to the following people for truly going above and beyond for Liz in her time of need, including: Daphne Fleming, Stacey Brown and the Little Brown Hen family, every generous community member who contributed in the Spaghetti Feed Fundraiser, Carol Mobley, Laurie & Tony Roane, Dan and Will Russell, Mckenzie Roane, Phoebe and Grant Ebright and Meagan Hiatt to name a few. Thank you for meaning so much to the woman we loved.

As those who knew her can attest Liz had a smile that could light up a room, a laugh as big as the sky, and a heart of gold. She touched so many lives in her short time with us all, and will be sorely missed by all who were lucky enough to know her. If love would have been enough to keep her well, we know Liz would have lived forever. We are all so incredibly grateful to have known and loved such an amazing spirit as she.
