

# THE RECORD

## Police conduct seatbelt 'blitz'

Oregon State Police, Lane County Sheriff's Office and local police will be working to increase proper safety belt and child car seat use during a statewide traffic enforcement "blitz" from Monday, Aug. 24, through Sunday, Sept. 6. Officers will also be on the alert for persons exceeding the posted speed limit or violating the "hands-free" cellphone law.

This enhanced enforcement is paid from dedicated funding through the U.S. Department of Transportation's National Highway Traffic Safety Administration.

Statewide observation surveys in June 2015 found 98

percent of Oregon travelers routinely use safety belts or child car seats. Not surprisingly, belt use was lower among persons killed in crashes; 75 percent among all crash fatalities and only 50 percent among persons killed in nighttime crashes, according to Oregon Department of Transportation reports.

Motor vehicle crashes are the leading cause of death for children ages 1 through 12 years old. Child car seats reduce the likelihood of being killed in a crash by up to 59 percent for toddlers aged 1 to 4 years old.

Safety belts reduce the

chance of fatal injury to adults by 45 to 65 percent.

Properly using safety belts and child restraints holds a person safely in place and inside the vehicle to prevent injury from occurring during sudden stops, swerves or a crash.

Without a safety belt or child car seat, occupants can be thrown against each other, the interior of the car or completely out of the vehicle which greatly increases chances of serious injury.

Oregon law requires children less than 40 pounds be restrained in a child seat.

Children under one year or weighing less than twenty

pounds must be restrained in a rear-facing child seat.

A child over 40 pounds must be restrained in either a child seat or a booster seat appropriate for their size until they reach age 8 or 4'9" tall AND the adult belt system fits them correctly.

For help with child car seats, refer to the seat manufacturer's instructions, vehicle owner's manual, or visit your local child seat fitting station.

A list of fitting stations can be found at [www.oregonimpact.org/car-seat-resources](http://www.oregonimpact.org/car-seat-resources) or at [www.nhtsa.gov/apps/cps/index.htm](http://www.nhtsa.gov/apps/cps/index.htm).

## Learn tips to avoid ID theft Aug. 18

How easy is it for someone to steal your identity and all the money in your bank account?

Identity theft is a very serious crime that happens more often than most people know. A major security breach on credit or debit cards can result in the loss of thousands of dollars.

An identity thief can use a social security number to obtain the insurance they need, such as home or automotive, or use your health insurance to get treatment, costing you money while placing incorrect and potentially harmful information in your medical records.

Thieves can jump bail and, through a false identity, have the authorities hunting for you. When a thief has access to a social security number they can control your life, including buying houses in your name and then defaulting on the loans.

Shorewood Retirement Residences is hosting a class on identity theft prevention presented by Sherry Dutcher on Tuesday, Aug. 18, at 10:30 a.m.

The first step towards protecting yourself is identifying where you are at risk.

Take the class and learn how.

### POLICE LOG

#### Florence Police

Aug. 3

Illegal camping, lodging was reported at Driftwood Shores.

Accident, without injury, was reported at First and Harbor streets.

Arrest, with warrant, was reported in the 1900 block of Highway 101.
