

THE RECORD

PeaceHealth schedules disaster drill Aug. 19

PeaceHealth Peace Harbor Medical Center in Florence, in coordination with local emergency responders, will be conducting a mock mass-casualty drill on this Wednesday, Aug. 19.

The drill is scheduled to start around 8 a.m. at Siuslaw High School and will continue throughout the morning, concluding around 11 a.m.

The drill will test the preparedness and response of local agencies should a real disaster occur.

The event, staged by PeaceHealth, will focus on response plans for an actual disaster that would trigger a sudden influx of patients, media, and concerned community members in addition to the day to day patient activity at the hospital.

It will also provide on-scene training for local emergency responders.

The full scale mass-casualty drill is being conducted in collaboration with multiple partner agencies including PeaceHealth, Western Lane Ambulance District, Siuslaw Valley Fire and Rescue, Florence Police Department, City of Florence, Citizen Emergency Response Teams (CERT), Life Flight, REACH Air Medical Services and Siuslaw School District, through use of the district's property.

The scenario for the practice event is a simulated explosion in the high school shop.

Volunteers will be participating in the exercise to play the roles of patients and family members.

In addition to the planned participants, community members are welcome to view the training as it will provide real-life crowd control training for emergency responders.

Onlookers are encouraged to watch but are reminded to be respectful to the fact that it is a training to better prepare the hospital and responders.

Organizers caution that the event is a significant exercise and the local community can expect to see emergency responders at PeaceHealth Peace Harbor Medical Center and Siuslaw High School looking and acting as if it were a true disaster.

Emergency staff and drill participants with mock injuries may be seen by motorists and pedestrians in the area.

Citizens may also hear drill communication over the police, fire, EMS and other emergency response radio frequencies.

Florence media outlets are asked to alert the public not to be alarmed if they see drill equipment and participants around the main hospital entrance and the high school or hear information over the radio frequencies between 7 a.m. and noon on Aug. 19.

Normal hospital Emergency Department operations and patient care will not be affected by the drill in any way.

Hospitals are required by the hospital accreditations to have disaster response plans in place and conduct periodic drills for improvement and training purposes.

OBITUARY

SIMINGTON — John Simington Sr. of Swisshome, passed away Aug. 9, 2015, at age 60.

John Simington Sr.

He was born in the doctor's office in the big town of Mapleton, Ore., on March 9, 1955, to Lewis and Beverly Simington.

His love for the great outdoors and logging began at an early age and continued through his life, working as a timber cutter, hook tender and eventually as a dedicated logging super for R&R King Logging for the past 22 years.

He is survived by his wife

Brenda, daughter Amy Siewart, sons John Jr., Michael and Willie Simington and the loves of their lives, Kris, Yvette and Cara, grandchildren Dani, Chelsea, Hunter, Gabe, Jordan, Kaley, Ashlyn, Braydan and Addison, brothers Lewis (Butch), Alan and Mark Simington and sister Gloria Packebush.

A celebration of his life will be held Saturday, Aug. 22, at 11 a.m. at the Swisshome Evangelical Church in Swisshome.

A "Go Fund Me" account has been set up as a memorial fund at www.gofundme.com/JohnSimingtonSr.

Any donations are greatly appreciated.

Burns' Riverside Chapel Florence Funeral Home is in charge of all arrangements.

Rhody Drive paving project begins Aug. 21

Construction crews from Wildish Construction will begin a pavement improvement project on Rhododendron Drive between Ninth and Wildwinds streets on Friday, Aug. 21.

Beginning Monday, Aug. 24, crews will be flagging to direct traffic during lane closures.

The contractor will be grinding (milling) Rhododendron Drive between Ninth Street and Wildwinds on Monday and Tuesday, followed by repaving to be completed Wednesday, Aug. 26.

The project is expected to be completed by Wednesday, Sept. 2.

The reconstruction project, also known as paving improvement, consists of a grind inlay of a 2-inch thick HMAC (Hot Mix Asphalt Cement) roadway surface along Rhododendron Drive from Ninth Street to Wildwinds Street.

The project includes 250 square yards of roadway reconstruction to address an area of severe settlement and road base failure.

In an effort to reduce the amount of reflective cracking, the project also includes the installation of 12,000 square yards of geo-textile paving fabric that will be placed prior to repaving the street.

For more information on the project, contact City of Florence Public Works at 541-997-4106.

SOS helps with utilities

Siuslaw Outreach Services (SOS) recently opened sign-ups for the Low Income Home Energy Assistance Program (LIHEAP).

SOS will take sign-ups until funds run out.

Only those who have not received LIHEAP funds since November are eligible to sign up. This federally funded program is designed to help low income household deal with rising heating and cooling costs.

To sign up or find out more about this program, call SOS at 541-997-2816.
