

City Lights celebrates first year in style

PHOTOS BY JACK DAVIS/SIUSLAW NEWS

It was well worth the wait for City Lights Cinema members who were treated to music and free refreshments, including wine and appetizers, before a complimentary showing of the digitally restored movie classic "Casablanca" Thursday, Aug. 13. City Lights owners Michael Falter and Susan Tive even threw in free buttered popcorn as part of the theater's first anniversary celebration.

Rhody Drive paving project begins Friday

Construction crews from Wildish Construction will begin the pavement improvement project on Rhododendron Drive between Ninth and Wildwinds streets on Friday, Aug. 21.

Beginning Monday, Aug. 24, crews will be flagging to direct traffic during lane closures.

The contractor will be grinding (milling) Rhododendron Drive between Ninth Street and Wildwinds on Monday and Tuesday, followed by repaving to be completed Wednesday, Aug. 26.

The project is expected to be completed by Wednesday, Sept. 2.

The reconstruction project, also known as paving

improvement, consists of a grind inlay of a two-inch thick HMAC (Hot Mix Asphalt Cement) roadway surface along Rhododendron Drive from Ninth Street to Wildwinds Street.

The project includes 250 square yards of roadway reconstruction to address an area of severe settlement and road base failure.

In an effort to reduce the amount of reflective cracking, the project also includes the installation of 12,000 square yards of geo-textile paving fabric that will be placed prior to repaving the street.

For more information on the project, contact City of Florence Public Works at 541-997-4106.
