SIUSLAW SCHOOL BOARD NOW FULLY STAFFED

JACK DAVIS/SIUSLAW NEWS

New Siuslaw School Board member Bill McDougale (left) recites the oath of office given by fellow board member John Barnett during the Aug. 12 school board meeting. McDougale was selected out of five applicants to fill position No. 7, vacated when former board member Michelle Rose chose not to seek a third term. McDougale has a long history in education as a teacher and administrator.

Florence, Lane County stripe streets Sept. 9

Under a cooperative agreement, City of Florence and Lane County crews will begin street striping, weather dependent, on Wednesday, Sept. 9.

Typically, the striping can be completed within one day, however, as it is the end of the summer season, weather plays a larger role in the operation. It may be necessary to complete striping on Thursday, Sept. 10.

The City of Florence maintains 87.98 lane miles of road-

way with approximately 37.97 of those center lane miles.

Next to traffic control device maintenance, striping is a top safety priority.

Crews can only stripe when the road is dry and the temperature is above 50 degrees.

Remember to give striping crews plenty of room and watch for the "wet paint" signs on Florence streets.

Although crews will use fast-drying, water-based paint, driving over fresh stripes or changing lanes when following a striping crew can remove the reflectivity of the stripe, reduce safety, increase maintenance costs and spray paint onto your vehicle.

The City of Florence and

Lane County do not assume responsibility for paint on vehicles. The city and county will deny all reimbursement claims if a driver crosses wet paint.

Therefore, Florence and Lane County crews ask drivers and pedestrians to watch out for "wet paint" signs.

Watch for "wet paint" warning signs and warning trucks. Don't change lanes behind a striping truck.

The paint they use is engineered to last, so it may be very difficult to remove from your vehicle if you drive on it while it's wet.

Once the paint is sprayed on the roadway, it can take as little as thirty seconds or as long as five minutes to dry.

If you do happen to drive over wet paint, it should be removed within the hour by a high-pressure hose and using warm soapy water.

The paint is water based, an alternative that is better for the environment.

As the paint is applied, thousands of little glass beads are deposited upon the wet paint.

The glass beads reflect lots of light, even at night. When vehicle headlights hit the paint, tiny spheres in the glass beads reflect the light, making the stripes brighter for drivers in dark or rainy conditions.

Library Friends' book sale to last 3 days

The Friends of the Library will again host its annual Labor Day Book sale, with this year's sale extended for a three-day event, from today, Sept. 5, through Monday, Sept. 7, at the main branch of the library, 1460 Ninth St. in Florence.

Hours of the sale are Saturday and Sunday, 10 a.m. to 4 p.m. Regular prices range from .25 cents to \$1.

On Monday, even though the library is closed for the Labor Day holiday, the sale

goes from 10 a.m. to 2 p.m. You can fill a grocery-size plastic bag with books for \$2.

Books of all kinds will be for sale: fiction books include mystery, horror, adventure, romance and science fiction.

Nonfiction books will include biographies, cookbooks, computer books, how-to manuals, philosophy, politics, travel, mathematics, bird and mushroom identification books, photography and music. Cash, checks, credit and

debit cards are accepted.

Library hours are Monday, Thursday, Friday and Saturday, 10 a.m. to 6 p.m.; Tuesday and Wednesday, 10 a.m. to 8 p.m.; and Sunday, 1 to 5 p.m.

All proceeds of the sale go to support the Siuslaw Public Library and its programs. The Friends of the Siuslaw Public Library is a nonprofit organization.
