Louise A. Fugate

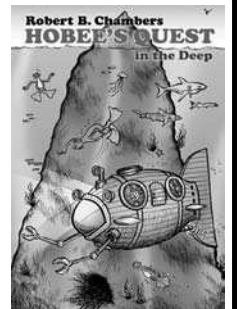

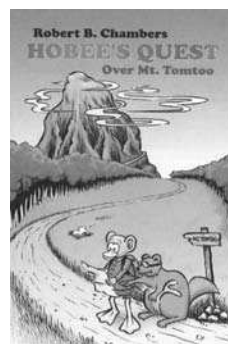

Louise shares her first book of a two-part series, a colorful story of prophetic Jewish history, from Creation to King David. God had a plan to save mankind, and He implemented that plan through the Jewish nation. Written in Bible-story form, it clearly lays the foundation of Judaism and Christianity.

The Bear In The Bookstore, by YVONNE MORRIS, is a delightful little tale, set in the cosy Books N Bears store in old town Florence, Oregon. The story of how a curious teddy bear finds love and friendship with the help of a thoughtful grandmother, this 'Learn to Grow' from Port Hole Publications is ideal for reading to the under 5 year old at bedtime. Colorful illustrations by Jesse de la Cour are combined with lots of detail to talk about as you read, with a discussion aid and tips for reading to pre-schoolers.
