PeaceHealth

Please visit the PeaceHealth booth at the Boomer and Senior Expo.

The Home Care manager will be on site to explain both programs of Home Health and Hospice and to answer any questions you may have.

Learn how home health care professionals can provide assistance and reha-

bilitation in your own home after surgery or other hospitalizations.

Learn how hospice professionals can provide support and pain and symptom management through the end of life process.

Blood pressure checks will also be provided.
