Work on bridge to impact Old Town, highway travel

A project to protect the Highway 101 Siuslaw River Bridge in Florence will create temporary impacts to traffic on and below the bridge this week. A contractor for Oregon Department of Transportation (ODOT) will begin sealing cracks in the bridge deck while working within a containment structure beneath the bridge. The work will be conducted between 6 p.m. and into the early morning hours. Traffic across the bridge will be restricted to a single lane with speeds controlled by pilot cars. The crack injection process for Span 1 will begin today, Nov. 4, and continue at least through Friday, Nov. 6. To learn more, visit www.siuslawbridge.com or www.TripCheck.com.

Honor veterans for their service

Join the community in honoring the service and sacrifice of the nation's Armed Forces members and veterans during the annual Veterans Day Parade in Florence's Historic Old Town on Wednesday, Nov. 11.

The parade starts at 1 p.m., and all patriotic groups and individuals are welcome to participate.

This Veteran's Day, the nation is reminded of the sacrifices endured by those who have served, or are serving in, the U.S. military to ensure the nation's freedom. Vietnam War veterans are this year's grand marshals.

The community is invited to take this opportunity to say thanks you to its local veterans. There will be great viewing from Harbor Street, the Port parking lot and along Bay Street.
