

THE RECORD

OBITUARIES

GRAY—Richard Gray, 89, passed away peacefully Nov. 2, 2015, surrounded by his family.

Dick was born March 12, 1926, in Oretown, Ore., to Floyd and Gladys Gray. The family moved around a lot, so Dick attended many schools including Mapleton, Siuslaw and Minerva, up the North Fork. He joined the Navy at the age of 17, attending Radio School at Texas A&M.

Dick won the heart of Evelyn Etzel, who “didn’t like that boy very much” growing up, and they married Nov. 9, 1946. Together they raised seven children and one grandchild. They moved to Florence in 1952, when Dick worked at various sawmills around the area. He was a supervisor at Davidson’s when he retired in 1988. His children remember him as the tallest and strongest man in the world, the protector of the family.

His sons will enjoy many great memories of going hunting and fishing with Dad.

In his retirement, Dick enjoyed golfing with his brothers and mushroom hunting. In

his later years, the joy of his life was his children, his grandchildren and his weekly poker games at the Elks, where he was a life member.

Dick was known for his great smile, belly laugh and his willingness to help his family when they needed him. He was the quintessential storyteller, but not a slave to the facts.

He was preceded in death by his parents; his sister, Betty Lou Seifken; his brother, Harley Gray; and his daughter Cynthia.

He is survived by his wife, Evelyn; his daughters: Debbie Peterson and Teresa Bartlett; sons: Jim, Matt, Dan, Tom and grandson, Jeff; 19 other grandchildren and 21 great-grandchildren.

A private celebration of life is planned for the summer.

SOKOLOSKI—Nancy B. Sokoloski, 79, of Jacksonville, Fla., formerly of Florence, passed away Oct. 5, 2015, after a long illness of 2-1/2 years.

She was born Dec. 7, 1935, to Bruce Bateman, Sr., and Carlina Gonzalez Bateman in Panama Canal Zone Republic of Panama. She was previously

married to William Johnson of Whor, W.V. (1956-1959), and Walter Sokoloski, in Calif. (1971-1976).

Nancy Sokoloski

Nancy held various jobs including working for the U.S. State Department working at Embassies in Uruguay, India, Libya and Ecuador. While in Ecuador, she met and married Walter Sokoloski of Ohio.

Nancy also spent time working for the U.S. Department of Energy in both Houston, Texas, and Las Vegas, Nev. She retired from the U.S. Federal government in 1983. She did work at other various jobs until full retirement in 2011. She also lived in Green Cove Springs, Fla., and Florence.

Nancy is survived by daughter, Kristy L. Sokoloski of Jacksonville, Fla.; her brother Bruce Bateman, Jr (Diane), and their children: Bruce Bateman III (Tammy) and sons Zachary

and Jacob of Orlando, Fla.; and Caroline Bateman Sudhoff (John) of Jacksonville, Fla.; nephew Kevin Bateman (Mickie), and sons Christopher (Sarah), Joshua and Ryan; niece Cassie Bateman-Organ (Paul) and son Justin of Okla.; numerous cousins; and her aunt Fulvia Merrell of Panama.

She was preceded in death by her father, Bruce Bateman (1973); her mother Carlina G. Bateman (2000); her brother Lewis Whitfield Bateman (1977); her grandmother Marcelina Murillo (1975); and youngest brother John Bateman (2011).

Funeral services were held Oct. 17 at the Kingdom Hall of Jehovah’s Witnesses in Jacksonville, Fla.

Anyone wishing to make a contribution or donation in honor of Nancy’s memory can make them to the American Music Therapy Association or American Heart Association.

The family would like to thank the nursing staff and doctors at Orange Park Medical Center for taking such good care of her.

State grants available for veterans, war memorials

The Oregon Heritage of Oregon Parks and Recreation Department is offering grants for the construction or restoration of veterans and war memorials.

“The program is designed to honor Oregon’s soldiers and veterans by commemorating their service to the country,” said Kuri Gill, coordinator for the program. “Local governments may apply to build or repair monuments on public land.”

New monuments should recognize veterans and wars not already recognized. Grants for restoration could be used for broken monuments, missing elements of monuments or the related design elements of monuments for veterans or earlier wars, such as World War I.
