**Dolly Parton's
Coat of Many Colors**
Thursday at 9 p.m. on **KGW, KOB, KMTR**
Though she's not actually a star of it, country-music icon Parton is a huge factor of this new TV movie — in the form of her nine-year-old self, portrayed by Alyvia Alyn Lind. Fellow singing star Jennifer Nettles and Rick Schroder play the young, Smokey Mountains-raised Dolly's parents, who were huge influences on her ... as was the very special coat that gives the movie and Parton's same-named song their title. Gerald McRaney also stars as her grandfather.

**Adele Live in
New York City**
Monday at 10 p.m. on **KGW, KOB, KMTR**
With her latest album "25" one of the biggest instant successes in modern music history, the Grammy and Oscar winner performs in a concert taped in November at Radio City Music Hall. Interestingly, Adele is teamed with Lorne Michaels — whose "Saturday Night Live" she recently appeared on again — in also executive-producing the special. Expect many "25" tunes, including "Hello" and "When We Were Young," to be among her selections here.

The Magicians
Wednesday at 10 p.m. on **SYFY**
This one-hour special offers a preview of a highly anticipated new fantasy series (premiering in January) that may be catnip for "Harry Potter" fans. Adapted from a novel of the same name by Lev Grossman, the series is set at Brakebills College for Magical Pedagogy (think: a grad school version of Hogwarts), where brilliant but socially awkward Quentin Coldwater (Jason Ralph) enrolls for training as a magician. Stella Maeve, Hale Appleman, Arjun Gupta, Summer Bishil and Olivia Taylor Dudley also star.

The identity of the featured celebrity is found within the answers in the puzzle. In order to take the TV Challenge, unscramble the letters noted with asterisks within the puzzle.

Across

- 1. ___ Hanna; "NCIS: Los Angeles" role
