

Grownup gifts

Dear Santa, How cold does it get in the North Pole? What is Mrs. Claus’s job? How do the elves make the toys? Who else lives in the North Pole except for you, Mrs. Claus and the elves? My wish for the world is kindness. Also, for everybody to get presents, even grownups, and most people to go to church.

Rudolph’s doppelganger

Dear Santa, How are you? Is there really a reindeer named Rodalf? If I could make a wish it would be for everyone to have a house and enough food. If you want to know what I want here’s the list. I want a WiiU and a new tablet and a remote controll car, walkey talkeys, WiiU and Super Mario Maker, a box of cholates, and a new PS3.

Game plan

Dear Santa, How are you doing at the North Pole? Is it cold up there? How is Mrs. Claus? Are the elves busy making toys? Santa, can I please have a Xbox Live gold card, “Plants vs. Zombies” garden warfare, nerf gattling gun extra darts, Black ops 3, Playstation, “Left 4 Dead,” iphone 6?

Make it big

Dear Santa, How do you get all around the world in one night? How are Mrs. Claus and the elves? Santa, my wish for the world is that everyone that has asthma does not have to have asthma anymore. I hope I get something for Christmas. I have been a little naughty. I would like: a lap-top, kitchen set, magic, micro-phone, smart phone, tablet. When you come sprinkle the magic on my head, and an ipod, gymnastics set, prank kit,

art set, salt rocks. And last but not least, a big, big, big doll house with furniture and food and blankets and stairs and clothes and brand new dolls. The best doll house ever with an elevator!

Invincible

Dear Santa, Can you really never die? How old are you? Can the elves make an Xbox 1? How long is your list? Do you wear glasses? I hope the wars end. I hope I have a ifone

and the Excorcist movie and to let my dad and mom let me watch it.

Too many to count

Dear Santa, How is it at the North Pole? How do the elves make toys? How many toys do you make? Is Rudolf real? Is it cold at the North Pole? How is Mrs. Claus? How are the deer? Santa, I wish that everybody has peace. If you come to my house, can you please give me Sonic toys and Legos and a

video game of Sonic?

All work and no play

Dear Santa, What’s it like at the North Pole? Are the elves busy? How meny elves do you have? My wish to the world is for more peace. When you come to my house, can you please give me a Xbox one and Mad Max, Fallout 4, and to controlers or real Halo armor with active camo and an Nerf magnom and assault rifle?
