SALES TAX

I'm confused, Thrifty! The newspaper ad said that my favorite treats were on sale for \$2.99. But when I got up to the checkout counter, it cost \$3.19! How can that be? Is it some kind of a trick?

No, it's not a mistake, Fritter. You forgot about SALES TAX. Sales tax is added to the price of many things you buy in stores, so you have to always keep that in mind when figuring out if you can afford to buy something!

Wow! Sales tax takes a bite out of my snacks before I do!

Among the goods he taxed were hats, boots, chimneys, stamps, basements and beehives. He taxed things like mustaches and beards. He even taxed birth, marriage and burial.
