OCEAN DUNES GOLF STAFF IN FULL SWING

Golf is not a team sport, but it takes a team to ensure that a day on the links is a wonderful experience.

From mowing the greens and fairways to conducting tournaments — even serving up a hot dog on the grill — operating a golf course is a team effort. Ocean Dunes Golf Links is managed by Three Rivers Casino Resort.

The golf resort's winning team has come together to take the popular course to new heights of enjoyment, while maintaining the personal touch and coastal charm that has made the course a favorite for locals and visitors

alike.

Director of Golf Operations, Bob Rannow, has been a professional for more than three decades, and his combination of pro tour and club management experience make him uniquely qualified to truly understand the needs of the recreational player.

"The average golfer has limited time to play," says Rannow. "And

Before taking on the 4A's top-ranked team Tuesday night, Viking senior point guard Preston Mitchell said his team was feeling pretty loose.

"No one expected us to beat them, so we went into it without any real expectations," said Mitchell, who would go on to score nearly half of Siuslaw's 43 points. "But after a while, when we were only down by one basket at the half, we realized everything was clicking for us.

"We realized we could possibly win."

Viking senior post Reese Siegel battles for the tipoff against Marshfield Tuesday night at Siuslaw.

That same thought must've crossed the Pirates' minds as well, realizing the state's No. 1 team might have an upset against a team ranked 39th.

The Viks had a 5-2 lead after the first three minutes of play, holding the Pirates offense and limiting Marshfield to single shot attempts thanks to solid rebounding from Reese Siegel, Trent Reavis, Brogan Cornish and Jake Hickson.

By the end of the first period, the Pirates had a six-point lead, 15-9,

MAPLETON: 51 MCKENZIE: 30

Against visiting McKenzie Tuesday, the Sailors owned the paint all night defensively, scooping up 21 steals and posting 12 blocked shots.

In addition, sophomore post Dominic Wells had his best game of the season, scoring 13 points off the glass and nabbing 15 rebounds to go with eight steals and six blocked shots.

"It was a commanding win for us, and an outstanding performance from Dominic," said Mapleton coach Will Crook. "It was without question the best game of his young career. Offensively, he was tough in the paint. Defensively, he was a nightmare

for McKenzie."

Junior guard Hunter Simington was just as much a nightmare from the 3-point range, sinking 3-of-4 shots from beyond the arc. Off the glass, Simington claimed 11 rebounds to go with his double-double 11 points on the night.

Off the bench, sophomore guard Gene Carnes provided another offensive spark, scoring eight points.

Inside the paint, freshman Gabe Simington also had eight points, along with 11 boards and three blocked shots.

MID COAST LAKES

The coho salmon fisheries in Siltcoos and Tahkenitch lakes are slow to fair. This time of year is typically the most productive. Recent rains and big tide should help to move new fish into the lakes.

The West Lake Boat Ramp at Siltcoos has been close for repairs but there is a neighboring private ramp that can be utilized. Look to fish near the lake
