Build Strength

Strengthen your legs, arms and torso with these exercises each day.

Stand straight up with your arms extended. Slowly raise your left foot out to one side. Balance on one leg that way for 10 seconds. Repeat.

Stand up straight and extend your arms out to the side. Rotate your arms in small circles. Gradually increase the size of the circles you make.

Stand up straight with your hands on your hips. Rotate your upper body as far as you can in each direction 10 times, as smoothly as possible.

Place your palms together and stick your elbows out. Now press your hands together as hard as you can for five seconds. Repeat 10 times.

Standards Links: Physical Education: Use a variety of basic and advanced movement forms.

Complete the grid by using all the letters in the word EIGHT in each vertical and horizontal row. Each letter should only be used once in each row. Some spaces have been filled in for you.

FROM THE Lesson Library

Standards Link: Life Science. Visual Discrimination. Counting.

Eight of a Kind

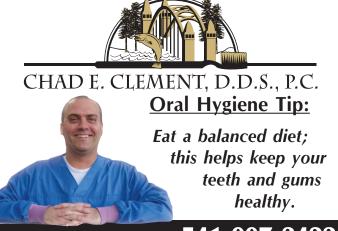

Look through the newspaper for eight (8) pictures or words of each of the following:

- food
- · animals
- fall pictures prices
- 3-digit numbers

Standards Link: Science: Compare and sort common objects.

My Pet Octopus Pretend you have a pet octopus. Describe what life is like with this pet. Be imaginative! Do you take your octopus for walks? Is it trained?
