Dunes City seeks help with Triathlon

Dunes City is seeking volunteers to help with the city's annual Oregon Dunes Triathlon and Duathlon.

The event, which is scheduled for Saturday, May 7, offers volunteers an opportunity to watch their friends and neighbors compete — and witness potential Olympic competitors as they swim, bike and run their way through Dunes City, Lane County and Honeyman State Park.

MAPLETON: 30 EDDYVILLE: 7

With 31 steals in the Eagles' nest Tuesday night in Eddyville, the Sailors had plenty of opportunities to score.

And they did. "We had a great defensive effort to go along with balanced scoring," said Mapleton coach Jesika Crook, whose team also had 21 rebounds at Eddyville. "It was a nice victory for us."

Freshman guards Alyssa Richards

and Gabrielle Gibney, along with senior wing Hannah Rodet, each scored eight points and combined for 19 rebounds.

"Gabrielle and Hannah had their best games of the season offensively and defensively," said Crook. "They smothered Eddyville defensively."

Gibney and Rodet teamed up for 13 steals between them in the 30-7 win.

Thursday night's doubleheader at Glen Butler Court didn't go the way either of the Viking teams wanted, at least on the scoreboard.

And while both games ended in a loss for Siuslaw, players and coaches walked away knowing that this rebuilding year is showing steady progress and growth.

"We're getting there," said boys' team senior guard Kenneth Thrall.

Viking sophomore forward Jake Hickson finds an opening against the Lancers' man-to-man defense.

"We've got something we can build on now and next year."

For the girls, at 1-5 in league play, Siuslaw will essentially need to go undefeated for the rest of the season with the Far West's two best teams — Marshfield and Brookings-Harbor — on the schedule for next week.

MID COAST LAKES

The coho salmon fisheries in Siltcoos and Tahkenitch lakes are slow to fair. This time of year is typically the most productive. Recent rains and big tide should help to move new fish into the lakes.

The West Lake Boat Ramp at Siltcoos has been close for repairs but there is a neighboring private ramp that can be utilized. Look to fish near the lake outlet and by the major tributaries that enter the lakes. Casting or trolling spinners or various plugs can be effective.
