

NED HICKSON/SIUSLAW NEWS

Siuslaw senior post Taylor Dotson had 6 points against Douglas in her final home game.

beyond the arc and drawing the Trojans out of their 2-3 zone. That was until late in the second period, when Potter went flying backwards after taking a charge than sent her elbows-first onto the hardwood.

After nearly 6 minutes on the floor, Potter was taken to the bench before eventually going to

the hospital to have her elbow and back examined. With Potter out of the lineup, the Vikings' offense focused on penetrating the paint — where junior guard Destinie Tatum has led the team in scoring.

Tuesday was no exception, with Tatum scoring a team-high 15 points, along with 16 rebounds — accounting for half of Siuslaw's overall offensive production for the night.

Dotson had 6 points, Claire Waggoner, Madison Reynolds, Abby Watkins, Carreina Greenburg and Marika White each had 2 points for the Vikings.

In the end, however, the Trojans went home with the win, 58-34.

Last night, the Vikings finished their season on the road (after press deadlines) at North Bend.

Fishermen: Brush up on new regulations

SALEM — Anglers this year may have noticed that Oregon's fishing regulations for 2016 are in a new magazine format publication, which is not only more colorful but simpler and easier to read.

Over the past year ODFW worked on streamlining and simplifying the angling regulations. ODFW has also expanded opportunities for trout and warmwater fishing and provided more consistent seasons and bag limits.

Anglers should notice plainer language and clearer descriptions of regulations. Content was also rearranged so that license information and fish ID photos are in the back of the regulations. Updated full-color zone maps can be found at the end of each section.

Here are a few changes that anglers will see in the 2016 fishing regulations:

- Expanded year-round opportunities across the state for trout. In most areas where there were April openers, these rivers were expanded to be open year round.
- Reduction in the number of special regulations or exceptions. One thing to be aware of is that some of the waters that

you fish may no longer be listed under the exceptions. This means that they are now covered under the zone regulations.

• Changes in fees. In 2016 there are fee increases on many angling licenses. This is the first time the fees have increased in six years. A new youth license was created.

For \$10, youth ages 12-17 will get a hunting, fishing,

shellfish license and Columbia River Basin endorsement.

There is also an online version available at www.eregulations.com/oregon/fishing that can be accessed from mobile devices, tablets and desktop computers.

This version includes the latest corrections and clarification to a few regulations that were causing confusion.
