

THE RECORD

OBITUARY

HOLMAN—Beverly Kay “Bev” Holman, 65, of Florence, passed away Jan. 31, 2016, from complications of non-Hodgkin lymphoma.

Bev was born March 1, 1950, in St. Louis, Mo., to Goldia and James Underwood. She graduated high school at Benton High and went on to the University of Arkansas, Little Rock (“Soooooepig!” as Bev used to say).

In 1970, Bev met Paul Holman when he was stationed at the Little Rock Air Force Base. They married June 2, 1973, and she joined him at Hamilton AFB in Ignacio, Calif., just outside of San

Francisco.

Bev worked at Marin General Hospital until she and Paul moved to Florence, where they began working with Paul’s parents at the Siuslaw News.

Bev fit in wherever she lived. In 1977, their daughter Tracy was born and, in 1980, their son Matt was born.

Bev loved being a part of the Florence community and enjoyed spending time with her family wherever they were.

She enjoyed their cabin at

Beverly Holman

Mercer Lake and enjoyed their trips to the mountains.

Bev was initiated into PEO International in 1992 and developed a love for the mission and

sisterhood of the organization.

She loved the friends that she made and the philanthropic work they did to further women’s education. Bev thoroughly enjoyed helping her children grow up to be the successful people they are today.

Bev, later in life, enjoyed traveling with Paul on their

motorcycle or in their motor home and visiting their children in Seattle, Wash.

Bev is survived by her husband, Paul; daughter Tracy; son Matt; grandchildren Myla, Bryce and Liam; and many other special friends and extended family members.

A celebration of Bev’s life will be held at Florence Events Center, 715 Quince St., on Sunday, Feb. 28, at 1 p.m.

In her memory, send donations to the PEO STAR program, c/o Gayle Sisson, 2345 E. 20th St., Florence.

Burns’ Riverside Chapel Florence is in charge of arrangements.

District warns parents of communicable illness

Hand-foot-and-mouth disease reported at Siuslaw Elementary School

Siuslaw School District announced Friday that Siuslaw Elementary School has had several confirmed cases of Hand-foot-and-mouth disease reported among its students.

This disease is a contagious viral infection that typically begins with fever and later presents as sores in the mouth. A rash on the hands and feet are also common

indicators. Other indicators are sore throat, general sick feeling, irritability in younger children and loss of appetite.

The health department and local doctors have recommended that students stay home from school for 10 days if diagnosed with Hand-foot-and-mouth disease. Students may return to school when blisters or rash have begun to fade.

More information can be found at the Center of Disease Control and Prevention website, www.cdc.gov/hand-foot-mouth/.

According to the Siuslaw School District, the elementary school was sanitized Thursday night. Staff was doubled Friday night to thoroughly sanitize again.

Bus drivers will be sanitizing buses as well.

Double staffing in the facilities department will continue into next week in efforts to keep Hand-foot-and-mouth cases at a minimum.

Additional information is available on the elementary school website, www.siuslaw.k12.or.us/, and on Facebook, that may be helpful for parents that suspect their child is infected.

Work to close one lane of Siuslaw Bridge

Oregon Department of Transportation crews will be using a snooper crane on the Siuslaw River Bridge this Monday, Feb. 22, to replace stainless steel hydraulic line clamps that have corroded on the drawbridge.

One lane will be closed from 7 a.m. to 1 p.m. Travelers should expect delays on Highway 101 approaching the Siuslaw River Bridge.

This work is not related to the Siuslaw Bridge Protection Project, but is part of regular maintenance needed for the bridge.

COURTS

Florence Municipal Court Feb. 16

Derik Todd Bagley pleaded no contest to theft. He was sentenced to one day in Florence City Jail and must report to Emergence Addiction and Mental Health Services. He must pay \$431 in fines and not contact or be in or about the premises or places of employment of the victims.

BIRTH

GIUMELLI-ROGERS—Brynn Marie Giumelli-Rogers, a girl weighing 9 lbs., 12.9 ozs., was born to Sarah Giumelli and Gene Rogers of Florence on Jan. 29, 2016, at RiverBend Hospital in Springfield.
