# Scentsy Warmers

Our distinctive Scentsy Warmers melt specially formulated wax with the heat of a low-watt light bulb or heating element, and enhance your home with more than 80 fragrances safely, with no flame, smoke or soot.

Each warmer is designed by Scentsy and is made of high-quality ceramic, porcelain, or glass.

A Scentsy Bar is a block of fragrant wax. Scentsy uses a custom, high-quality paraffin wax blend and fragrant oils to achieve the high-

est quality and longest-lasting bar. Scentsy bars are safer than wicked candles because no flame is required for the wax to melt and release fragrance.

Since the wax is warmed and not burned as with traditional candles, no harmful chemicals or pollutants are released into the air. With Scentsy, there is no flame, smoke, soot or lead.

Just plug your Scentsy warmer in and turn it on. Place one or more section of a Scentsy Bar into the warmer dish and enjoy.

# DS Johnson Enterprises Inc.

Water Beads will water your plants and flowers. Composed mostly of water, they are attractive, colorful, non-toxic, odorless and biodegradable. One tiny bag makes a full vase of beads. Simply soak them overnight.

Grow your plants with no soil, leave your plants while you go on vacation, or create a

beautiful centerpiece for your home. They will keep your plants and fresh-cut flowers fresh longer than water. They are attractive and easy to use as well as reusable; you can use them again and again. With numerous uses, they are perfect for weddings and special events.

Come and see these beautiful beads at the Florence Home and Garden Show.

# Phelps Painting, Inc.

Phelps Painting, Inc. is 100 percent committed to customer satisfaction. We take every measure to insure that when we paint your home or office building, you are completely satisfied with the outcome. We understand that every job is different and will do everything necessary to make sure each painting project is done with utmost care and precision.

Established in 1995, Phelps Painting, CCB No. 108724, is a locally owned and operated business and continues to offer professional service to our neighbors here in the Florence area. We provide top-quality interior and exterior residential and commercial painting services and use top-quality products and paints.

We will wash your home before painting to remove sand, pollen and mildew. Our friendly

and professional crew will then scrape any loose paint, prime any bare wood, caulk around windows and trim, and then paint your home with two coats of top-quality professional paint. We also offer a plan to wash your home every couple of years to maintain your paint job.

Phelps Painting can also give your home's interior a new look. We repair holes, cracks, minor dry wall repairs in walls and ceilings. We'll paint the interior of your home with two coats of top-quality professional paint, making sure of color consistency. Spruce up your home's doors, trims and cabinets with a semi-gloss finish, making your home look new again.
