Berkshire Hathaway HomeServices

Berkshire Hathaway HomeServices Northwest Real Estate is happy to support the Florence Home and Garden Show again this year.

Although we now carry the name of one of the most trusted and respected brands in the world, we are still the same local team you've come to know and trust over the years, committed to providing excellent service and backed by the most accurate real estate information around. The current data shows that the local market is improving and listings are in demand. We've got several great ways for you to keep an eye on home values and market activity in areas of interest to you.

The newest online option is our 60-Second Market Update Videos, which are updated every month based on the latest local statistics to help you track the trends and prices where you live. You'll find these Market Videos on

the Berkshire Hathaway HomeServices website www.RealEstateFlorence.com.

While you're there, be sure and take a look at our Market Watch reports. Simply enter your city, zip code or address and see what's currently for sale along with prices homes have sold for in your neighborhood. It's a great way to stay informed about the market trends in your area.

We would like to extend our sincere thanks for continually making us your top choice in helping you buy and sell real estate in the Florence area. If you're thinking of buying or selling a home, keep us in mind. Give us a call at 541-997-6000, or stop in and see what we can do for you.

Look for the Berkshire Hathaway HomeServices Northwest Real Estate sign at 1875 Highway 101 in Florence, or go online to www.RealEstateFlorence.com.

Rhododendron Society — Siuslaw Chapter

Welcome to the Siuslaw Chapter of the American Rhododendron Society! We are located in Florence, Ore., the city of Rhododendrons.

We meet on the third Tuesday of each month from September through May with a party in December and a picnic during the summer.

The meetings are held at the Presbyterian Church of the Siuslaw, 3669 Highway 101 in Florence. Following a pre-meeting dinner, at various city restaurants, we gather at the church for a social time from 6:30 to 7 p.m. Our meetings are fairly informal, and we strive to give everyone as much information about rhododendrons as we can. Everyone is welcome, and there is no charge to attend.

We have one of the most active chapters in the ARS with two shows at the Florence Events Center. The first is in April and the second in May in conjunction with the Rhododendron

Festival. We welcome entries from everyone, and frequently have entries from as far away as Washington and California. The ribbons and trophies may be won by any entrant.

We were organized over 40 years ago and still have several of the organizers in our midst. Our membership is made up of longtime enthusiasts, as well as nurserymen and many people who have moved to Rhody paradise and want to learn more about this wonderful plant.

Our native Rhododendron — the macrophyllum — puts on a great show in the spring in the central coast area with colors ranging from white to almost red, and many varied shades of pink in between.

We look forward to seeing you at one of our meetings or the flower shows, and sales. Once you meet us, we hope you will consider joining. For more information, check out our website www.siuslawars.org.
