St. Patrick's Day Exclusive!

"Leprechaun Lips" Tells All!

Q: How do leprechauns get all that gold?

A: We make shoes for the fairies. Silly fairies wear out their shoes quickly because they dance all night. We are always busy making new shoes for them. They pay us with gold. Lots of gold!

Leprechaun's shoe shelf has toppled. Can you match the pairs of fairy shoes?

Standards Link: Investigation: Find similarities and differences in common objects; identify matching attributes.

Q: Why do leprechauns play tricks on people?

A: We play tricks on people who don't believe in us. We especially like to bother teachers who try to tell children that we don't exist.

He will try to talk you into looking away. If you do look the other way, he will be gone when you look back.

Ideally, a child should see a dentist at least once a year. But, if a family has a history of dental decay, with parents and grandparents who have cavities and fillings, a child should visit the dentist twice a year.
