Our goal was \$10,000. Thanks to the above businesses, kettle volunteers, and hundreds of individuals this past Christmas season nearly \$17,000 was raised in support of services in Western Lane County. Recently an anonymous individual matched this amount. Thus, including \$1,000 donated by Ladies of the Elks, the total is \$33,544. A restricted endowment paying out 5% per year will be established for the perpetual support of The Salvation Army's various services in Western Lane County. Anyone interested in joining as a volunteer or donating in support of these services should write:
