

PROSTATE CANCER SPOKEN HERE

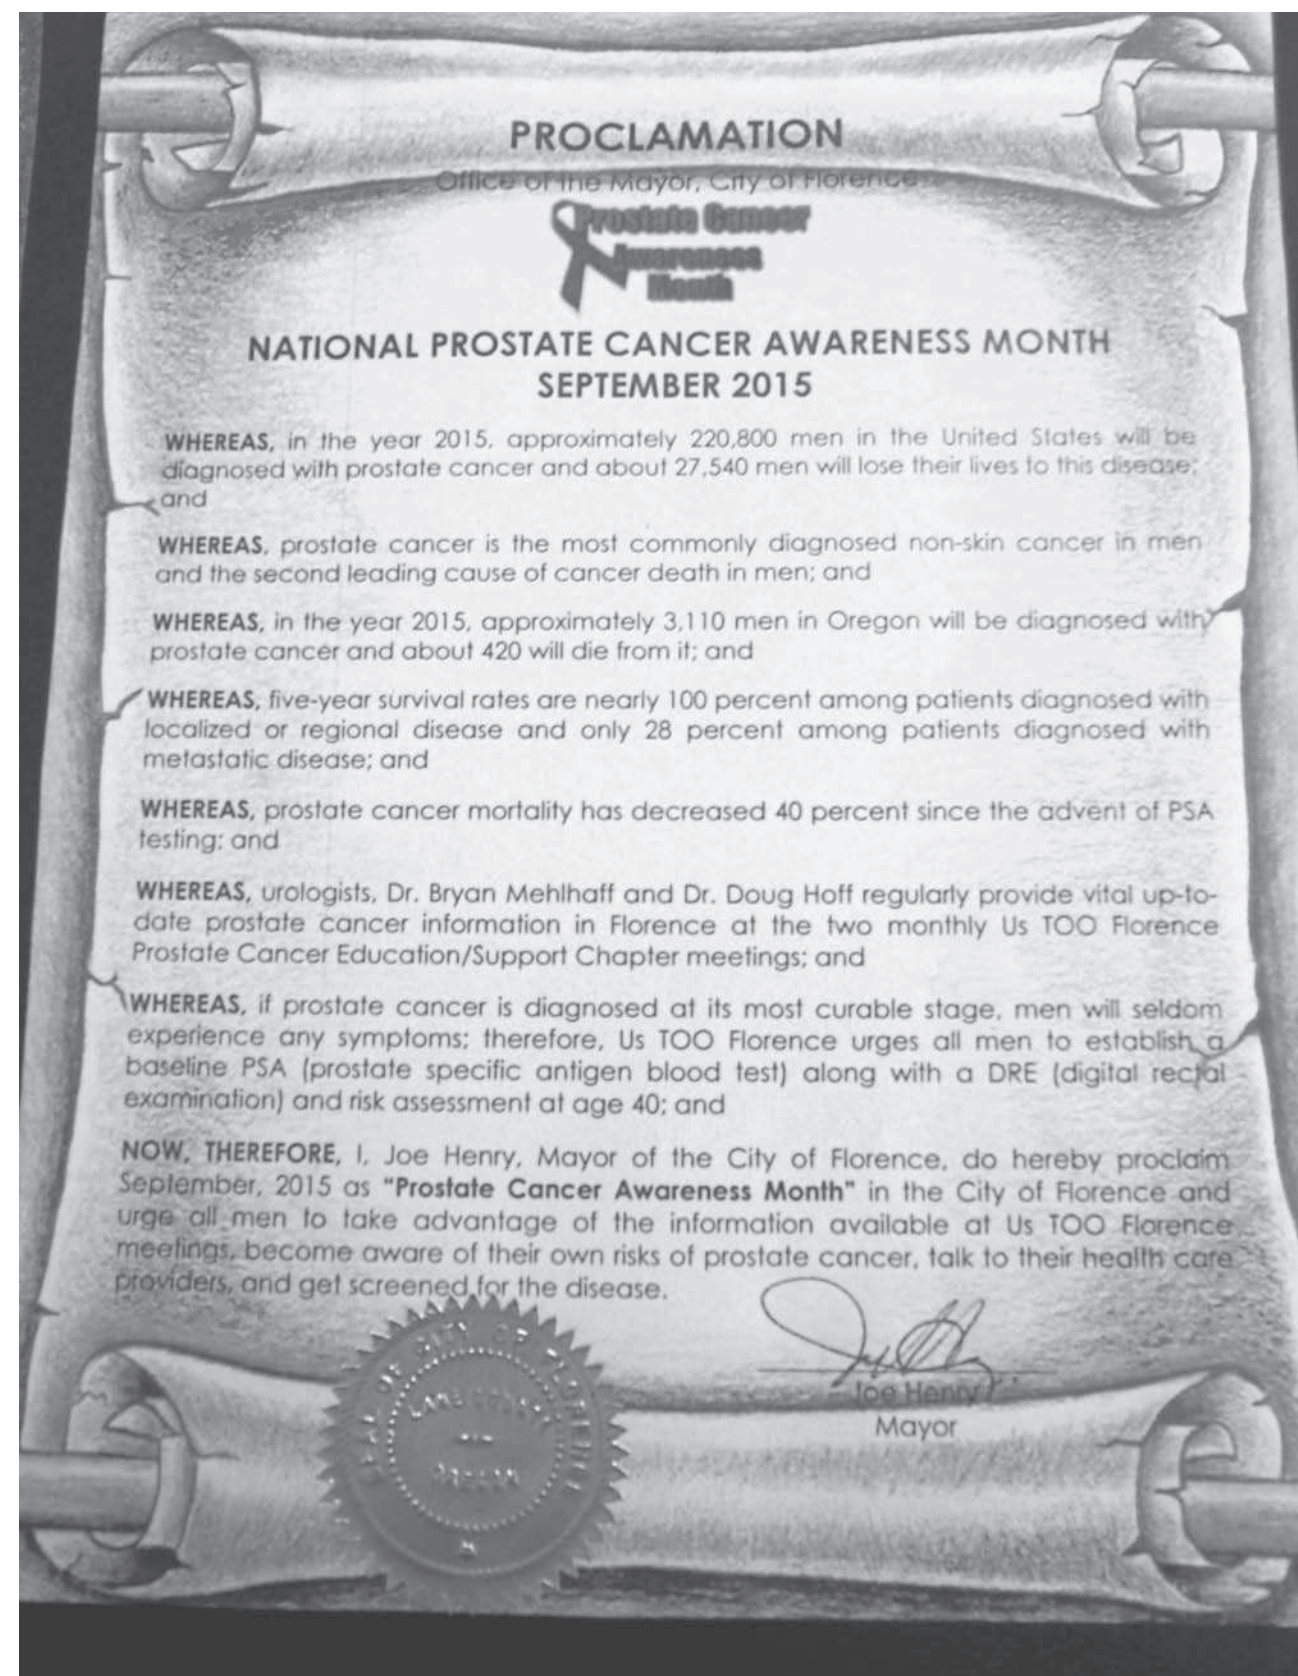

Mayor Joe Henry presents the proclamation designating September as Prostate Cancer Awareness Month in the City of Florence. The presentation was made at the September 15 Us TOO Florence Lunch Bunch meeting. Mayor Henry encouraged all men to take advantage of the information available at Us TOO Florence meetings.

HEALTH FAIRS
FLORENCE EVENTS CENTER
THREE RIVERS CASINO
SENIOR FAIR

Roger Straus and Gary Sanders man the Us TOO Florence booth at a health fair at the Florence Events Center. Both men are prostate cancer survivors and share materials, their time and experiences with those looking for prostate cancer information.

Prostate Information

Us TOO Florence is a chapter of Us TOO International Prostate Cancer Education/Support Network with over 325 chapters worldwide. Us TOO Florence provides two opportunities each month to meet with urologists and prostate cancer survivors/spouses. Come join us, 5 p.m. on the second Tuesday of the month at the Presbyterian Church of the Siuslaw (Dr. Bryan Mehlhaff) or on the third Tuesday of the month at Ichiban Restaurant (Dr. Roger McKimmy).

Check us out at:

www.ustoooflorence.org for prostate cancer information and the personal prostate cancer journeys of many Us TOO Florence participants.
