This past Saturday, Dunes City hosted the fourth annual Oregon Dunes Triathlon and Duathlon for what was the event's largest field of competitors to date. MID COAST LAKES

Rainbow trout stocking is underway in many locations along the mid coast. Look at the stocking report to see the full stocking season.

Fishing for the various warm water fish species tends to be slower during the winter month but can pick up quickly as spring nears and fish move to the shallows for spawning. There are numerous lakes in the Florence area that can provide good opportunity and have both boat and bank access.
